During the tenure of the Plan(s), the above allocation may vary due to instances like (a) coupon inflow; (b) the instrument is called or bought back by the issuer (c) in anticipation of any adverse credit event. In case of such deviations, the Plan(s) may invest in highest rated CDs viz. A1+/ CBLOs/ Reverse Repos / T-Bills. Such deviation may continue till maturity of the Plan(s), if suitable CPs / NCDs of desired credit quality are not available.

The above allocation may vary during the duration of the Scheme due to occurrence of any adverse credit events such as rating downgraded/default and/or if due to market action the values of debt/money market instruments appreciate/depreciate. INVESTMENT STRATEGY	The principle strategy is to create a diversified basket of fixed income securities that are held to maturity. The maturities of the securities are intended to match the tenure of the scheme. The portfolio will be constructed with a focus on security level analysis.
----------------------------	--

RISK PROFILE OF THE SCHEME	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <ul style="list-style-type: none"> • Different types of securities in which the scheme would invest carry different levels and types of risks. Accordingly the scheme's risk may increase or decrease depending upon its investment pattern. • Investments in debt instruments are subject to various risks such as credit/default risk, interest rate risk, reinvestment risk, liquidity risk etc. <p>E.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds which are AAA rated are comparatively less risky than bonds which are AA rated.</p>
-----------------------------------	---

- **Credit Risk:** This refers to the risk that an issuer of a fixed income security may default (i.e. will be unable to make timely principal and interest payments on the security).
- **Interest Rate Risk:** This risk results from changes in demand and supply for money and other macroeconomic factors and creates price changes in the value of debt instruments. Consequently, the NAV of the scheme may be subject to fluctuation. Prices of long term securities generally fluctuate more in response to interest rate changes than do short-term Securities. This may expose the schemes to possible capital erosion.
- **Liquidity Risk:** This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). Liquidity risk is today characteristic of the Indian fixed income market.
- **Market Risk:** This risk arises due to price volatility due to such factors as interest sensitivity, market perception or the credit worthiness of the issuer and general market liquidity, change in interest rate expectations and liquidity flows. Market risk is a risk which is inherent to investments in securities. This may expose the schemes to possible capital erosion.
- **Reinvestment Risk:** This risk refers to the interest rate levels at which cash flows received for the securities in the Scheme is reinvested. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.
- Different types of Securitised Debts in which the scheme would invest carry different levels and types of risks. Presently, secondary market for securitised papers is not very liquid. There is no assurance that a deep secondary market will develop for such securities. Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the scheme.
- Derivatives are high risk, high return instruments. A small price movement in the underlying security could have a large impact on their value and may also result in a loss.

Risk associated with close ended Schemes

- A close ended Scheme endeavors to achieve the desired returns only at the scheduled maturity of the Scheme. Investors who wish to exit/redeem before the scheduled maturity date may do so through the stock exchange mode, if they have opted to hold Units in demat form.
- Although Units of the respective Plan(s) as mentioned in this Scheme Information Document are to be listed on the Exchange(s), there can be no assurance that an active secondary market will develop or be maintained.
- Trading in Units of the respective Plan(s) on the Exchange(s) may be halted because of market conditions or for reasons that in view of Exchange Authorities or SEBI, trading in Units of the respective Plan(s) is not advisable. In addition, trading in Units of the Scheme is subject to trading halts caused by extraordinary market volatility and pursuant to Exchange and SEBI 'circuit filter' rules. There can be no assurance that the requirements of Exchange necessary to maintain the listing of Units of the respective Plan(s) will continue to be met or will remain unchanged.
- Any changes in trading regulations by the Stock Exchange(s) or SEBI may inter-alia result in wider premium/ discount to NAV.
- The Units of the respective Plan(s) may trade above or below their NAV. The NAV of the respective Plan(s) will fluctuate with changes in the market value of Plan's holdings. The trading prices of Units of the respective Plan(s) will fluctuate in accordance with changes in their NAV as well as market supply and demand for the Units of the respective Plan(s).
- The Units will be issued in demat form through depositories. The records of the depository are final with respect to the number of Units available to the

	<p>credit of Unit holder. Settlement of trades, repurchase of Units by the Mutual Fund on the maturity date / final redemption date will depend upon the confirmations to be received from depository(ies) on which the Mutual Fund has no control.</p> <p>There is no assurance or guarantee that the objectives of the scheme will be achieved. The past performance of the mutual funds managed by the Franklin Templeton Group and its affiliates is not necessarily indicative of future performance of the scheme.</p>																																				
<p>RISK MITIGATION FACTORS</p>	<ul style="list-style-type: none"> • Interest Rate Risk: The Fund seeks to mitigate this risk by investing in securities maturing on or before the maturity of the Scheme. • Credit risk or default risk: The Fund will endeavour to minimise Credit/Default risk by primarily investing in medium-high investment grade fixed income securities rated by SEBI registered credit rating agencies. The historical default rates for investment grade securities (BBB and above) have been low. • Reinvestment Risk: Reinvestment risks will be limited to the extent of coupons received on debt instruments, which will be a very small portion of the portfolio value. • The scheme may take positions in interest rate derivatives to hedge market/interest rate risks. • Liquidity or Marketability Risk: The fund will endeavour to minimise liquidity risk by investing in securities having a liquid market.

CIR/ IMD/ DF/21/2012 dated September 13, 2012, the Mutual Fund shall disclose the scheme portfolios as on the last day of the month on its website on or before the tenth day of the succeeding month.

Prevention of Money Laundering

In terms of the Prevention of Money Laundering Act, 2002, the Rules / guidelines/circulars issued there under (AML Laws), Mutual Funds are required to formulate and implement a client identification programme, to collect, verify and maintain the record of identity and address(es) of investors.

It is mandatory for all investors (including joint holders, NRIs, POA holders and guardians in the case of minors) to furnish such documents and information as may be required to comply with the Know Your Customers (KYC) policies under the AML Laws. Applications without such documents and information may be rejected.

Submission of PAN:

In terms of SEBI circulars dated April 27, 2007, April 03, 2008 and June 30, 2008 read with SEBI letter dated June 25, 2007, Permanent Account Number (PAN) would be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction, except (a) investors residing in the state of Sikkim; (b) Central Government, State Government, and the officials appointed by the courts e.g. Official liquidator, Court receiver etc. (under the category of Government) and (c) investors participating only in micro-pension. SEBI, in its letter dated July 24, 2012 has conveyed that investments in mutual fund schemes [including investments through Systematic Investment Plan (SIP)] of up to Rs.50,000/- per year per investor shall be exempted from the requirement of PAN.

Accordingly, where the aggregate of lump sum investment (fresh purchase and additional purchase) and SIPs where the aggregate of instalments in a rolling 12 month period or in a financial year i.e. April to March does not exceed Rs.50,000/- (referred to as "Micro investment"), it shall be exempt from the requirement of PAN.

However, a duly verified/attested copy of such document(s) as may be prescribed by the AMC/Trustee from time to time, needs to be submitted as the proof of identification in lieu of PAN Card copy. This exemption will be available only to Micro investment made by individuals being Indian citizens (including NRIs, joint holders, minors acting through guardian and sole proprietary firms). PIOs, HUFs, QFIs and other categories of investors will not be eligible for this exemption.

For the purpose of identifying Micro investment, applications shall be aggregated at the investor level (same sole holder/joint holders in the same sequence) and such aggregation shall be done irrespective of the number of folios / accounts under which the investor is investing and irrespective of source of funds, mode, location and time of application and payment.

Thus, submission of PAN is mandatory for all existing as well as prospective investors (including all joint applicants/holders, guardians in case of minors, POA holders and

	<p>NRIs but except for the categories mentioned above) for investing with mutual funds. Investors are required to register their PAN with the Mutual Fund by providing the PAN card copy. All investments without PAN (for all holders, including Guardians and POA holders) are liable to be rejected.</p> <p>All investments in Franklin Templeton Mutual Fund need to comply with the PAN and KYC requirements as stated above, failing which the applications are liable to be rejected. It is clarified that all categories of investors seeking exemption from PAN still need to complete the KYC requirements stipulated by the AMC/Trustee from time to time, irrespective the amount of investment.</p> <p>All investments in Franklin Templeton Mutual Fund need to comply with the PAN and KYC requirements as noted above.</p> <p>Non acceptance of Third Party payment</p> <p>The AMC shall not accept subscriptions with Third Party payment instruments in the Scheme, except in cases of (a) In case of investment in the name of a minor, payment by Parents / Grand- Parents / related persons (other than the person registered as Guardian in the minor’s Folio) on behalf of a minor in consideration of natural love and affection or as gift for a value not exceeding Rs.50,000/- (each regular purchase or per SIP instalment); (b) In case of investment in the name of a minor, payment by the person registered as Guardian in the minor’s Folio irrespective the amount of investment; (c) Payment by Employer on behalf of employee for lump sum/one-time subscription or under SIP through Payroll deductions or deductions out of expense reimbursement; (d) Custodian on behalf of an FII or a client. (e) Payment by Asset Management Company to a Distributor empanelled with it on account of commission/incentive etc. in the form of the Mutual Fund Units of the Funds managed by such AMC through Systematic Investment Plans or lump sum / one-time subscription, subject to compliance with SEBI Regulations and Guidelines issued by AMFI, from time to time; (f) Payment by Corporate to its Agent/ Distributor/ Dealer (similar arrangement with Principal-agent relationship), on account of commission/ incentive payable for sale of its goods/services in form of mutual fund units through SIP or lump sum/ one-time subscription. For this purpose Third Party payment shall mean payment made through instruments issued from an account other than that of the beneficiary investor. It is clarified that in case of payments from a joint bank account, the first holder of the mutual fund folio has to be one of the joint holders of the bank account from which payment is made. The investors making an application under the exception cases mentioned above need to submit such declarations and other documents / information as may be prescribed by the AMC from time to time.</p>

19. Know Your Customer (KYC):

All investors (including joint holders, NRIs, POA holders and guardians in the case of minors) must ensure completion of Know Your Customer (KYC) formalities, failing which the transaction may be rejected. Currently it is mandatory for all investors irrespective amount of investment (including joint holders, NRIs, POA holders and guardians in the case of minors) to submit a copy of the KYC acknowledgement towards completion of Know Your Customers (KYC) policies under the AML Laws.

Central KYC Registry (CKYCR) is a centralized repository of KYC records of customers in the financial sector with uniform KYC norms and inter-usability of the KYC records across the sector with an objective to reduce the burden of producing KYC documents and getting those verified every time when the customer creates a new relationship with a financial entity. With effect from February 1, 2017, individual investors whose KYC is not registered or verified in the KYC Registration Agency (KRA) system should use "CKYC Form". In case such investor provides the old KRA KYC form, additional/missing information must be provided in a "Supplementary CKYC Form". Investors who have already completed Centralised KYC (CKYC) and have a KYC Identification Number (KIN) from CKYCR may quote their 14 digit KIN in the application form. If PAN of such investors is not updated in CKYC system, investors need to submit a self-certified copy of the PAN card.

Applications without such documents and information may be rejected.

- For applications by minors, copy of KYC Acknowledgement of the guardian must be submitted along with the Application / Transaction Form else the application may be rejected
- In case of applications under a Power of Attorney (POA), copy of KYC Acknowledgement of the investors and the POA holders must be submitted along with the Application / Transaction Form else the transaction may be rejected
- In case of subscriptions in scheme where Units are under a lock-in period as prescribed in the respective Scheme Information Documents (including ELSS Schemes) or a New Fund Offer, allotment may be done only on confirmation from the CVL/KRA that the KYC is final and if the CVL/KRA informs that the KYC is cancelled, the original amount invested may be refunded.
- In case of any transactions where the KYC formalities are completed for the investors in the folio, and a change of address is also requested, the transaction will be processed based on the current data available in the AMC / RTA records and the change of address will be rejected. Changes of address can only be registered through updation of KYC records via CKYC & KRA.
- As per the SEBI guidelines, the investors need to complete the In Person Verification (IPV) as part of the KYC requirements. Politically Exposed Persons (PEP) are defined as individuals who are or have been entrusted with prominent public functions in a foreign country, e.g., Heads of States or of Governments, senior politicians, senior Government / judicial/ military officers, senior executives of state owned corporations, important political party officials, etc. or any senior political figures and their immediate family members and close associates.

In the event of any KYC Application being subsequently rejected for lack of information / deficiency / insufficiency of mandatory documentation, the investment transaction may be cancelled and the amount may be redeemed at applicable NAV, subject to payment of exit load, wherever applicable. Such redemption proceeds will be dispatched within a maximum period of 21 days from date of acceptance of application. In case of subscriptions in scheme where Units are under a lock – in period as prescribed in the respective Scheme Information Documents (Including ELSS Schemes) or a New Fund Offer, allotment may be done only on confirmation from the central agency that the KYC is final and if the central agency informs that the KYC is cancelled, the original amount invested may be refunded.

For Investors who have submitted their KYC acknowledgement, changes as listed below must be requested through updation of KYC records.

- Change of address
- Name change
- Change of social status
- Any other information provided in KYC form

Any direct requests for the above for folios where the KYC acknowledgement is registered with us will be rejected. The address for a folio will be the 1st holder's/1st Guardian's address for communication. This address will be printed in the account statement and considered for all other communications.

Change of Address for investors who have submitted their KYC acknowledgement with us will be effected into all folios where the investor is the first holder or 1st guardian. If the investor has not registered their KYC acknowledgement with us, the change of address request will be effected only for the particular folio(s) requested by the investor. Such request needs to be accompanied with the proof of address and proof of identity. If PAN is updated and verified in our records, only PAN card copy would be accepted as proof of identity. If PAN is not updated and verified in our records, PAN card copy or any other proof of identity (bearing photo) is acceptable. When investors submit their KYC acknowledgement for an existing folio, all existing details of the holder(s) will be overwritten with the details available in the records of CVL.

As per the recent amendments to the Prevention of Money Laundering (Maintenance of Records) Rules, 2005, mutual fund account/folio holders (in case of individual investor) and managers, officers or employees holding an attorney to transact on behalf of non-individual investor are required to update their Aadhaar numbers, failing which the said account/folio will cease to be operational. The purpose of collection/usage of Aadhaar number including demographic information is to comply with applicable laws/rules/regulations and provision of the said data is mandatory as per applicable laws/rules/regulations.
