02. INTRODUCTION

A. RISK FACTORS

STANDARD RISK FACTORS

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down.
- Past performance of the sponsors / the asset management company / mutual fund does not indicate or guarantee the future performance of the scheme of the mutual fund.
- There is no assurance or guarantee that the objective of the mutual fund will be achieved.
- Franklin India Floating Rate Fund is only the name of the scheme and does not in any manner indicate either the quality of the scheme or its future prospects and returns.
- The Sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs.1 lakh made by it towards setting up the Fund.
- Investors in the Scheme are not being offered any guaranteed / assured returns.
- There is no guarantee or assurance on the frequency or quantum of dividends (which shall be at the discretion of the AMC/Trustee and also depend on the availability of adequate distributable surplus) although there is every intention to declare dividends in Dividend Plan.

SCHEME SPECIFIC RISK FACTORS

1. The performance of the scheme may be affected by the corporate performance, macro-economic factors, changes in Government policies, general levels of interest rates and risk associated with trading volumes, liquidity and settlement systems in the securities markets.
2. Low trading volumes, settlement periods and transfer procedures may restrict the liquidity of the scheme's investments. Transacting may become difficult due to extreme volatility in the market resulting in constriction in volumes. Additionally, changes in the SEBI/ RBI regulations/Guidelines may have an adverse impact on the liquidity of the scheme. Different segments of the Indian financial markets have different settlement periods, and such period may be extended significantly by unforeseen circumstances. The length of time for settlement may affect the Scheme in the event the Scheme has to meet an inordinately large number of redemption requests. In addition, the Trustee at its sole discretion reserves the right to limit or withdraw sale and/or repurchase/redemption and/or switching of the units in the scheme (including any one of the Plans of the scheme) temporarily or indefinitely under certain circumstances. For details refer the Section '**Suspension of sale of units**' and '**Suspension of redemption of units**'. The scheme will retain certain investments in cash or cash equivalent for the day to day liquidity requirements.
3. **Interest rate risk:** This risk results from changes in demand and supply for money and other macroeconomic factors and creates price changes in the value of debt instruments. Consequently, the Net Asset Value of the scheme may be subject to fluctuation. Changes in the interest rates may affect the Scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long term securities generally fluctuate more in response to interest rate changes than do short-term securities. Indian debt markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby possible movements in the NAV. This may expose the schemes to possible capital erosion
4. **Credit risk or default risk:** This refers to the risk that an issuer of a fixed income security may default (i.e. will be unable to make timely principal and interest payments on the security). Default risk / credit risk arises due to an issuer's inability to meet obligations on the principal repayment and interest payments. Because of this risk corporate debentures are sold at a yield above those offered on Government Securities, which are sovereign obligations and free of credit risk. Normally the value of a fixed income security will fluctuate depending upon the changes in the perceived level of credit risk as well as any actual event of default. The greater the credit risk, the greater the yield required for someone to be compensated for the increased risk.
5. **Market risk:** This risk arises due to price volatility due to such factors as interest sensitivity, market perception or the credit worthiness of the issuer and general market liquidity, change in interest rate expectations and liquidity flows. This may expose the schemes to possible capital erosion.
6. **Reinvestment risk:** This risk refers to the interest rate levels at which cash flows received for the securities in the Scheme are reinvested. Investments in debt instruments are subject to reinvestment risks as interest rates prevailing on interest or maturity due dates may differ from the original coupon of the bond, which might result in the proceeds being invested at a lower rate. The additional risk from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.
7. **Liquidity or Marketability Risk:** This refers to the ease with which a security can be sold at or near

to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today characteristic of the Indian fixed income market.

8. Certain fixed income securities give an issuer the right to call its securities, before their maturity date, in periods of declining interest rates. The possibility of such pre-payment risk may force the fund to re-invest the proceeds of such investments in securities offering lower yields, thereby reducing the fund's interest income.
9. The scheme may invest in non-publicly offered debt securities. This may expose the scheme to liquidity risks.
10. Different types of securities in which the scheme would invest as given in the Scheme Information Document carry different levels and types of risks. Accordingly the scheme's risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds which are AAA rated are comparatively less risky than bonds which are AA rated.
11. Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the scheme.

Risks associated with Securitised Debts

12. Different types of Securitised Debts in which the scheme would invest carry different levels and types of risks. Accordingly the scheme's risk may increase or decrease depending upon its investments in Securitised Debts. e.g. AAA securitised bonds will have low Credit Risk than a AA securitised bond. Credit Risk on Securitised Bonds may also depend upon the Originator, if the Bonds are issued with Recourse to Originator. A Bond with Recourse will have a lower Credit Risk than a Bond without Recourse. Underlying Assets in Securitised Debt may be the Receivables from Auto Finance, Credit Cards, Home Loans or any such receipts. Credit risk relating to these types of receivables depends upon various factors including macro-economic factors of these industries and economies. To be more specific, factors like nature and adequacy of property mortgaged against these borrowings, loan agreement, mortgage deed in case of Home Loan, adequacy of documentation in case of Auto Finance and Home Loan, capacity of borrower to meet its obligation on borrowings in case of Credit Cards and intentions of the borrower influence the risks relating to the assets (borrowings) underlying the Securitised Debts. Holders of Securitised Assets may have Low Credit Risk with Diversified Retail Base on Underlying Assets, especially when Securitised Assets are created by High Credit Rated Tranches. Risk profiles of Planned Amortisation Class Tranches (*PAC*), Principal Only Class Tranches (*PO*) and Interest Only Class Tranches (*IO*) will also differ, depending upon the interest rate movement and Speed of Pre-payments. A change in market interest rates/prepayments may not change the absolute amount of receivables for the investors, but affects the reinvestment of the periodic cash flows that the investor receives in the securitised paper.
13. Presently, secondary market for securitised papers is not very liquid. There is no assurance that a deep secondary market will develop for such securities. This could limit the ability of the investor to resell them. Even if a secondary market develops and sales were to take place, these secondary transactions may be at a discount to the initial issue price due to changes in the interest rate structure.
14. Securitised transactions are normally backed by pool of receivables and credit enhancement as stipulated by the rating agency, which differ from issue to issue. The Credit Enhancement stipulated represents a limited loss cover to the Investors. These Certificates represent an undivided beneficial interest in the underlying receivables and there is no obligation of either the Issuer or the Seller or the originator, or the parent or any affiliate of the Seller, Issuer and Originator. No financial recourse is available to the Certificate Holders against the Investors' Representative. Delinquencies and credit losses may cause depletion of the amount available under the Credit Enhancement and thereby the Investor Payouts may get affected if the amount available in the Credit Enhancement facility is not enough to cover the shortfall. On persistent default of an Obligor to repay his obligation, the Seller may repossess and sell the underlying Asset. However many factors may affect, delay or prevent the repossession of such Asset or the length of time required to realize the sale proceeds on such sales. In addition, the price at which such Asset may be sold may be lower than the amount due from that Obligor.

Risks associated with Securities Lending

15. Engaging in securities lending is subject to risks related to fluctuations in collateral value and settlement/liquidity and counter party risks. The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the

lender from the securities deposited with the approved intermediary. The Mutual Fund may not be able to sell such lent securities and this can lead to temporary illiquidity.

Risks associated with Short-selling of Securities

16. Purchasing a security entails the risk of the security price going down. Short selling of securities (i.e. sale of securities without owning them) entails the risk of the security price going up there by decreasing the profitability of the short position. Short selling is subject to risks related to fluctuations in market price, and settlement/liquidity risks. If required by the Regulations, short selling may entail margin money to be deposited with the clearing house and daily mark to market of the prices and margins. This may impact fund pricing and may induce liquidity risks if the fund is not able to provide adequate margins to the clearing house. Failure to meet margin requirements may result in penalties being imposed by the exchanges and clearing house.

Risks associated with derivatives

17. Derivatives are high risk, high return instruments as they may be highly leveraged. A small price movement in the underlying security could have a large impact on their value and may also result in a loss. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.
18. Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.
19. Interest rate swaps and Forward Rate Agreement require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that the derivative adds to the portfolio and the ability to forecast failure of another party (usually referred to as the "counter-party") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives, the credit risk where the danger is that of a counter-party failing to honor its commitment, liquidity risk where the danger is that the derivative cannot be sold at prices that reflect the underlying assets, rates and indices, and price risk where the market price may move in adverse fashion.
20. The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue.
21. The Stock Exchange may impose restrictions on exercise of options and may also restrict the exercise of options at certain times in specified circumstances and this could impact the value of the portfolio.

Risks associated with Imperfect Hedging using Interest Rate Futures (IRF)

22. **Basis risk** – While correlation between the underlying portfolio and IRF are tested, these are historical numbers and could diverge going forward. This could result in the hedge not working as desired.
23. **Yield curve slope risk** – The IRF hedge is done on a modified duration basis. This means that the maturity of the underlying instrument and the maturity of the IRF could be different. The hedge ratio is arrived at using the prescribed formula. This hedges the risk arising from a parallel shift in the yield curve. Any change in the slope of the yield curve (flattening/steepening) remains unhedged as residual risk.
24. **Spread risk** – The IRF is based on government securities and treasury bills. Imperfect hedging can be applied on portfolios comprised of corporate bonds as well. Corporate bond yield theoretically comprises of the risk free rate (systemic risk) and a credit spread (idiosyncratic risk). IRF would hedge out only the risk free rate. Any compression/expansion of credit spread of the underlying portfolio would not be hedged by the IRF.
25. **Liquidity/execution risk** – IRF are relatively new instruments traded on the exchanges and don't have as much liquidity as the OTC market in the underlying bond. This could expose the hedge to liquidity (execution and wider bid-offer spread) risk and associated impact cost.
26. **Change in benchmark bond** – IRF of government bonds are based on the liquid, on the run securities. When the underlying security is phased out for issuance by Government of India, a new bond is typically issued. IRFs are subsequently issued on the new bond and the market liquidity shifts to the new bond and away from the older bond. This would also expose the hedge to liquidity risk and impact cost to shift from the older instrument to the newer instrument.
27. **Rollover risk** – IRF instruments are available upto a year in maturity, but typically the first few months are more liquid. If the holding period of the hedge exceeds the maturity of the IRF

instrument's maturity, then the IRF would have to be rolled over at maturity. This could create rollover risk at maturity and associated costs.

28. **Unwinding risk**— An unexpected change in market conditions may require unwinding the derivative positions at disadvantageous prices during periods of heightened volatility e.g. if the yields slide lower due to a surprise RBI rate cut, participants with short Interest Rate Futures positions would seek to cut their losses and exit, leading to an increase in the price of the IRF, and negative price impact on the hedged portfolio there from.
29. **Correlation risk** – As per the extant regulation, the IRF has to have a 0.90 correlation coefficient with the underlying bond/portfolio, for the past 90 days, to be considered for imperfect hedging. If the correlation deteriorates going forward, the hedge may have to be removed with attendant impact costs.

Risks associated with participation in repo transactions in Corporate Debt Securities

30. **Counter-party risk** - Credit risk would arise if the counter-party fails to repurchase the security as contracted or if counterparty fails to return the security or interest received on due date. To mitigate such risks, the Schemes shall carry out repo transactions with only those counterparties, which has a credit rating of 'AA- and above'. In case of lending of funds as a repo buyer, minimum haircuts on the value of the collateral security have been stipulated, and we would receive the collateral security in the Scheme's account through an exchange settled matching process. Generally, we would have a limited number of counter-parties, comprising of Mutual Funds, Scheduled Commercial banks, Financial Institutions and Primary dealers etc. Similarly, in the event of the Scheme being unable to pay back the money to the counterparty as contracted, the counter-party may dispose off the assets (as they have sufficient margin) and the net proceeds may be refunded to the Scheme. Thus, the Scheme may suffer losses in such cases.
31. **Collateral Risk (as a repo buyer)** - Collateral risks arise due to fall in the value of the security (change in credit rating and/or interest rates) against which the money has been lent under the repo arrangement. To mitigate such risks, minimum haircuts have been stipulated on the value of the security. The Investment Manager may ask for a higher haircut depending upon the market conditions.

Risks associated with Investments in REITs and InvITs:

32. **Market Risk:** REITs and InvITs Investments are volatile and subject to price fluctuations on a daily basis owing to factors impacting the underlying assets. AMC/Fund Manager's will do the necessary due diligence but actual market movements may be at variance with the anticipated trends.
33. **Liquidity Risk:** As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.
34. **Reinvestment Risk:** Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.
35. **Regulatory/Legal Risk:** REITs and InvITs being new asset classes, rights of unit holders such as right to information etc may differ from existing capital market asset classes under Indian Law.

Risks associated with overseas investment

36. To the extent the assets of the scheme are invested in overseas financial assets, there may be risks associated with currency movements, restrictions on repatriation and transaction procedures in overseas market. Further, the repatriation of capital to India may also be hampered by changes in regulations or political circumstances as well as the application to it of other restrictions on investment. In addition, country risks would include events such as introduction of extraordinary exchange controls, economic deterioration, bi-lateral conflict leading to immobilisation of the overseas financial assets and the prevalent tax laws of the respective jurisdiction for execution of trades or otherwise.
37. **Currency Risk:** The fund may invest in overseas mutual fund / foreign securities as permitted by the concerned regulatory authorities in India. Since the assets will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes/fluctuations in the value of the foreign currencies relative to the Indian Rupee.
Country Risk: The Country risk arises from the inability of a country, to meet its financial obligations. It is the risk encompassing economic, social and political conditions in a foreign country, which might adversely affect foreign investors' financial interests.

Risks of investing in floating rate debt instruments or fixed rate debt instruments swapped for floating rate return:

38. **Interest rate movement (Basis Risk):** As the fund will invest in floating rate instruments, these instruments' coupon will be reset periodically in line with the benchmark index movement. Normally, the interest rate risk of a floating rate instrument compared to a fixed rate instrument is limited. The changes in the prevailing rates of interest will likely affect the value of the Scheme's holdings until the next reset date and thus the value of the Scheme's Units. Increased rates of interest, which frequently accompany inflation and / or a growing economy, are likely to have a negative effect on the value of the Units. The value of securities held by the Scheme generally will vary inversely with changes in prevailing interest rates. The fund could be exposed to the interest rate risk (i) to the extent of time gap in resetting of the benchmark rates, and (ii) to the extent the benchmark index fails to capture the interest rate movement.
39. **Spread Movement (Spread Risk):** Though the basis (i.e. benchmark) gets readjusted on a regular basis, the spread (i.e. markup) over benchmark remains constant. This can result in some volatility to the holding period return of floating rate instruments.
40. **Settlement Risk (Counterparty Risk):** The floating rate assets may also be created by swapping a fixed return to a floating rate return. In such a swap, there may be an additional risk of counterparty who will pay floating rate return and receive fixed rate return.

Risk Mitigation Factors:

- Interest Rate Risk: The Fund seeks to mitigate this risk by keeping the maturity of the schemes in line with the interest rate expectations.
- Credit risk or default risk: The Fund will endeavour to minimise Credit/Default risk by primarily investing in medium-high investment grade fixed income securities rated by SEBI registered credit rating agencies. Historical default rates for investment grade securities (BBB and above) have been low.
- Reinvestment Risk: Reinvestment risks will be limited to the extent of coupons received on debt instruments, which will be a very small portion of the portfolio value.
- The schemes may take positions in interest rate derivatives to hedge market/interest rate risks.
- Liquidity or Marketability Risk: The fund will endeavour to minimise liquidity risk by investing in securities having a liquid market.

B. REQUIREMENT OF MINIMUM NUMBER OF INVESTORS

The Scheme/Plan shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/Plan(s). In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall be complied within each subsequent calendar quarter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25% limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. SPECIAL CONSIDERATIONS

- Investment decisions made by the Investment Manager will not always be profitable or prove to be correct. Accordingly, the scheme is not intended as a complete investment program.
- A Unitholder may invest in the scheme and acquire a substantial portion of the scheme units. The repurchase of units by the Unitholder may have an adverse impact on the units of the schemes, because the timing of such repurchase may impact the ability of other Unit holders to repurchase their units.
- Prospective investors should review / study this Scheme Information Document carefully and in its entirety and shall not construe the contents hereof or regard the summaries contained herein as advice relating to legal, taxation, or financial/ investment matters and are advised to consult their own professional advisor(s) as to the legal or any other requirements or restrictions relating to the subscription, gifting, acquisition, holding, disposal (sale, transfer, switch or redemption or conversion into money) of Units and to the treatment of income (if any), capitalization, capital gains, any distribution, and other tax consequences relevant to their subscription, acquisition, holding,

capitalization, disposal (sale, transfer, switch or redemption or conversion into money) of Units within their jurisdiction / of nationality, residence, domicile etc. or under the laws of any jurisdiction to which they or any managed Funds to be used to purchase/gift Units are subject, and (also) to determine possible legal, tax, financial or other consequences of subscribing / gifting to, purchasing or holding Units before making an application for Units.

- Neither this Scheme Information Document nor the units have been registered in any jurisdiction. The distribution of this Scheme Information Document in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of this Scheme Information Document in certain jurisdictions are required to inform themselves about, and to observe, any such restrictions. No person receiving a copy of this Scheme Information Document or any accompanying application form in such jurisdiction may treat this Scheme Information Document or such application form as constituting an invitation to them to subscribe for Units, nor should they in any event use any such application form, unless in the relevant jurisdiction such an invitation could lawfully be made to them and such application form could lawfully be used without compliance with any registration or other legal requirements.
- No person has been authorised to give any information or to make any representations not confirmed in this Scheme Information Document in connection with this Offer or the issue of Units, and any information or representations not contained herein must not be relied upon as having been authorized by the Mutual Fund, the Investment Manager. Neither the delivery of this Scheme Information Document nor any sale made hereunder shall, under any circumstances, create any implication that the information contained herein is correct as of the date of receipt of this document. The Investor is requested to check the credentials of the individual/firm he/she is entrusting his/her application form and payment to, for any transaction with the Fund. The Fund/Trustee or the AMC shall not be responsible for any acts done by the intermediaries representing or purportedly representing such investor.
- The AMC has obtained a certificate from SEBI to act as a Portfolio Manager under Securities and Exchange Board of India (Portfolio Managers) Rules and Regulations, 1993, vide registration No.INP000000464 and commenced the activity. The AMC has also obtained a No-Objection letter from SEBI under Regulation 24(2) of Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 for commencing the Portfolio Managers activity. The AMC has obtained a certificate from SEBI to act as Registrar and Transfer Agent to the schemes of Franklin Templeton Mutual Fund under Securities and Exchange Board of India (Registrar to an issue and Share Transfer Agents) Regulations, 1993, vide registration No.INR000004165. SEBI has accorded its no objection for providing non-binding investment advisory services to the group/ subsidiaries of the sponsor company for Franklin Templeton group, which are established outside India and invest in securities as FIs or sub-accounts. The AMC has policies and systems in place to ensure that there is no conflict of interest between the aforesaid activities and to handle if any unavoidable conflict of interest, as envisaged in Regulation 24 of the SEBI (MF) Regulations, arises.

03. INFORMATION ABOUT THE SCHEME

A. NAME & TYPE OF THE SCHEME

Franklin India Floating Rate Fund, an open ended debt scheme predominantly investing in floating rate instruments (including fixed rate instruments converted to floating rate exposures using swaps/ derivatives).

The Scheme was originally launched as 'Templeton India Liquid Plus' (TILP) and was renamed as 'Templeton India Cash Management Account' (TICMA) effective February 17, 2009 pursuant to SEBI Circular ref. SEBI/IMD/CIR No.13/150975/09 dated January 19, 2009, as Franklin India Cash Management Account' (TICMA) effective June 30, 2014 and as Franklin India Floating Rate Fund effective June 4, 2018.

B. INVESTMENT OBJECTIVES

The primary investment objective of the Scheme is to provide income and liquidity consistent with the prudent risk from a portfolio comprising of floating rate debt instruments, fixed rate debt instruments swapped for floating rate return, and also fixed rate instruments and money market instruments.

The investment policies of the scheme shall be as per SEBI (Mutual Funds) Regulations, 1996, and within the following guidelines in conformity with Investment Management Agreement and Trust Deed.

C. ASSET ALLOCATION PATTERN

Under normal market circumstances, the investment range would be as follows:

Instruments	As % of Net Assets#	Risk Profile
	Min- Max	
Floating Rate debt instruments (including fixed rate instruments converted to floating rate exposures using swaps/ derivatives)	65-100%	Low to Medium
Debt (other than floating rate instruments), Money market instruments and Real Estate Investment Trusts (REIT)/ Infrastructure Investment Trust (InvIT)	0-35%	Low to Medium

#The Scheme may have exposure in the following:

1. Securitised Debt up to 50% of net assets
2. Foreign securities as may be permitted by SEBI/RBI upto 50% of net assets
3. Derivatives up to a maximum of 65% of net assets. Investment in derivatives including imperfect hedging using Interest Rate Futures shall be in line with the guidelines prescribed by SEBI from time to time. The exposure limit per scrip/instrument shall be to the extent permitted by the SEBI Regulation for the time being in force. These limits will be reviewed by the AMC from time to time.
4. Repos in corporate debt securities
5. Short Selling
6. Securities Lending - A maximum of 40% of net assets may be deployed in securities lending and the maximum single party exposure may be restricted to 10% of net assets outstanding at any point of time.
7. REITs and InvITs - A maximum of 10% of net assets may be deployed in REITs and InvITs and the maximum single issuer exposure may be restricted to 5% of net assets or upto the limits permitted by SEBI from time to time.

It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unit holders. The asset allocation pattern described above may alter from time to time on a short-term basis on defensive considerations, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors (i.e., for reasons other than downgrade in rating) and would, in such cases, shall be rebalanced within 30 days from the date of deviation. However, if the asset allocation pattern is to be altered for other reasons, as this is a fundamental attribute, the procedure outlined in the paragraph on fundamental attributes below, shall be followed.

NOTE: The investment under Direct Plans shall have the same portfolio as that of the plan/option under which it is introduced, and hence the same investment objectives and investment pattern as that of the existing respective Scheme/Scheme Portfolio.

D. WHERE WILL THE SCHEME INVEST

Subject to the SEBI Regulations, the Scheme may invest in various types of instruments including, but not limited to, any of the following:

- (a) Securities issued, guaranteed or supported by the Central Government or any state government (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills)
- (b) Securities issued by any domestic government agencies, quasi-government or statutory bodies, Public Sector Undertakings, which may or may not be guaranteed or supported by the Central Government or any state government
- (c) Domestic non-convertible securities as well as non-convertible portion of convertible securities, such as debentures, coupon bearing bonds, zero coupon bonds, deep discount bonds, Mibor-linked or other floating rate instruments, premium notes and other debt securities or obligations of public sector undertakings, banks, financial institutions, corporations, companies and other bodies corporate as may be permitted by SEBI / RBI from time to time
- (d) Domestic securitised debt, pass through obligations, various types of securitisation issuances including but not limited to Asset Backed Securitisation, Mortgage Backed Securitisation, single loan securitisation and other domestic securitisation instruments, and so on as may be permitted by SEBI from time to time.
- (e) Domestic Commercial Paper (CP), Certificate of Deposits (CD), Bills Rediscounting, TREPs, Reverse Repo, and other Money Market Instruments as may be permitted by SEBI / RBI from time to time.
- (f) Domestic derivatives including Interest Rate Futures, Interest rate swaps, imperfect hedging and other derivative instruments are permitted by SEBI from time to time
- (g) Deposits with domestic banks and other bodies corporate as may be permitted by SEBI from time to time
- (h) Foreign Securities
- (i) Real Estate Investment Trusts (REITs) and Infrastructure Investment Trusts (InvITs)
- (j) Repo of corporate debt securities
- (k) Any other domestic debt and money market instruments that may be available from time to time.

Further, the scheme investing in Foreign Securities may invest in various types of instruments including, but not limited to, any of the following:

- (a) foreign debt securities (non-convertible) in the countries with fully convertible currencies
- (b) overseas short term as well as long term debt instruments with rating not below investment grade by accredited/registered credit rating agencies
- (c) Overseas Money market instruments rated not below investment grade
- (d) Overseas repos in the form of investment, where the counterparty is rated not below investment grade (repos shall not however, involve any borrowing of funds by the Scheme)
- (e) Foreign government securities where the countries are rated not below investment grade
- (f) Overseas derivatives traded on recognized stock exchanges overseas (currently permitted only for hedging and portfolio balancing with underlying as securities)
- (g) Short term deposits with banks overseas where the issuer is rated not below investment grade
- (h) Overseas Exchange Traded Funds (ETFs)
- (i) units/securities issued by overseas mutual funds or unit trusts registered with overseas regulators and investing in permitted Foreign Securities, Real Estate Investment Trusts (REITs) listed in recognized stock exchanges overseas or unlisted overseas securities (not exceeding 10% of their net assets).
- (j) Any other permitted overseas securities / instruments that may be available from time to time.

Investment in Foreign Securities shall be made in accordance with the guidelines issued by SEBI and RBI from time to time. The securities mentioned above could be listed, unlisted, publicly offered, privately placed, secured, unsecured, rated or unrated and of varying maturity. The securities may be acquired through public offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals. The Scheme may also enter into repurchase and reverse repurchase obligations in all securities held by it as per the guidelines and regulations applicable to such transactions.

OVERVIEW OF DEBT MARKET

The Indian debt markets are one of the largest markets in Asia. Government and Public Sector enterprises are predominant borrowers in the market. While interest rates were regulated till a few years back, there has been a rapid deregulation and currently both the lending and deposit rates are market determined.

The bond markets are developing fast with the rapid introduction of new instruments including derivatives. Foreign Institutional Investors are also allowed to invest in Indian debt markets now. The average trading

volume in the market ranges between Rs.50,000 crores to Rs.100,000 crores, of which about 90% comprises of the government securities.

The various debt instruments currently available for investments are:

Instruments	Current Yields*	Liquidity
Central/State Government securities	3.25% to 7.00%	Very high
PSU Bonds/Corporate debentures	3.50% to 14.00%	Medium – High
Commercial Papers/Certificate of deposits	3.50% to 13.00%	High
Call/Notice Money	3.90% to 4.30%	Very high
Repo / TREPS	2.50% to 3.50%	Very high

*Yields as of June 05, 2020

The actual yields will, however, vary in line with general levels of interest rates and debt/money market conditions prevailing from time to time.

INVESTMENT IN FOREIGN SECURITIES

The Scheme may invest in permitted Foreign Securities and any other overseas instruments as may be permitted by SEBI/RBI/other regulatory authorities from time to time.

SEBI vide its circular dated September 26, 2007 has issued guidelines pertaining to investments in overseas financial assets. Accordingly the investments in Foreign Securities shall be made in compliance with the said circular.

The Fund has appointed a dedicated fund manager for the purpose of investment in overseas financial assets (except for investment in units/securities of overseas mutual funds/unit trusts/ETFs and such other securities/instruments as may be permitted by SEBI from time to time) as prescribed in the aforesaid SEBI circular. Service of custodian and other intermediaries/advisors of international repute will be used for managing and administering such investments. The appointment of such intermediaries shall be in accordance with the applicable requirements of SEBI and within the permissible ceilings of expenses. The fees and expenses would include, besides the investments management fees, custody fees and costs, fees of appointed advisors and sub-managers, transaction costs and overseas regulatory costs.

Offshore investment will be made subject to any/ all approvals/conditions thereof as may be stipulated by SEBI/ RBI/ other regulatory authorities. Boards of asset management companies (AMCs) and trustees shall exercise due diligence in making investment decisions as required under Regulation 25(2). They shall make a detailed analysis of risks and returns of investment in foreign securities and how these investments would be in the interest of investors. Investment must be made in liquid actively traded securities/instruments and such other types of securities/instruments as may be permitted by SEBI from time to time. Boards of AMCs and trustees may prescribe detailed parameters for making such investments, which may include identification of countries, country rating, country limits, etc. They shall satisfy themselves that the AMC has experienced key personnel, research facilities and infrastructure for making such investments. Other specialised agencies and service providers associated with such investments e.g. custodian, bank, advisors, etc should also have adequate expertise and infrastructure facilities. Their past track record of performance and regulatory compliance record, if they are registered with foreign regulators, may also be considered. Necessary agreements may be entered into with them as considered necessary. All investment decisions shall be recorded in accordance with SEBI circular dated July 27, 2000. Such investments shall be disclosed while disclosing half-yearly portfolios in the prescribed format by making a separate heading "Foreign Securities/overseas ETFs." Scheme-wise percentage of investments made in such securities shall be disclosed while publishing half-yearly results in the prescribed format, as a footnote.

It is the investment manager's belief that overseas securities offer new investment and portfolio diversification opportunities into multi-market and multi-currency products. However, such investments also entail additional risks.

Investment in derivatives traded on recognised stock exchanges overseas shall be made only for hedging and portfolio balancing with underlying as securities. The schemes shall not invest in foreign securitised debts.

INVESTMENTS IN DERIVATIVE INSTRUMENTS

Brief note on investment in derivative instruments

As part of the Fund Management process, the Trustee may permit the use of derivative instruments such as swap agreements, Forward Rate Agreement (FRA) or any other derivative instruments that are permissible or may be permissible in future under applicable regulations and such investments shall be in accordance with the investment objectives of the schemes.

On the fixed income side, an interest rate swap agreement from fixed rate to floating rate is an example of how derivatives can be an effective hedge for the portfolio in a rising interest rate environment.

Derivatives can be either exchange traded or can be over the counter (OTC). Exchange traded derivatives are listed and traded on Stock Exchanges whereas OTC derivative transactions are generally structured between two counterparties.

Derivatives may be high risk - high return instruments, upon leveraging. As they are highly leveraged, a small price movement in the underlying security could have a large impact on their value and may also result in a loss.

Position Limits:

The scheme may enter into derivative transactions for hedging/portfolio balancing purposes and in line with the guidelines prescribed by SEBI from time to time. The schemes may take exposure in derivatives up to a maximum of 50% of its AUM. In terms of prevailing SEBI guidelines, the cumulative gross exposure through debt and derivative positions should not exceed 100% of the net assets of the scheme. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. This limit will be reviewed by the AMC from time to time.

Currently, the position limits for Mutual Funds and its schemes, as permitted by the SEBI Regulations, are as under:

The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the scheme. Exposure due to hedging positions may not be included in the above mentioned limit subject to the following:

- Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
- Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned above.
- Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
- The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.
- Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned above.

Further, the total exposure related to option premium paid must not exceed 20% of the net assets of the scheme. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.

Purpose of investment:

- Trading in derivatives by the scheme shall be restricted to hedging and portfolio balancing purposes.
- The scheme shall fully cover its positions in the derivatives market by holding underlying securities/cash or cash equivalents/option and/or obligation for acquiring underlying assets to honour the obligations contracted in the derivatives market.
- Separate records shall be maintained for holding the cash and cash equivalents/securities for this purpose.
- The securities held shall be marked to market by the AMC to ensure full coverage of investments made in derivative products at all time.

Valuation:

- The traded derivatives shall be valued at market price in conformity with the stipulations of sub clauses (i) to (v) of clause 1 of the Eighth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996.

- The valuation of untraded derivatives shall be done in accordance with the valuation method for untraded investments prescribed in sub clauses (i) and (ii) of clause 2 of the Eighth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996.

Interest Rate Swaps (IRS):

The Indian markets have faced high volatility in debt and equity markets. An interest rate swap is a contractual agreement between two counter-parties to exchange streams of interest amount on a notional principal basis. In this, one party agrees to pay a fixed stream of interest amount against receiving a variable or floating stream of interest amount. The variable or floating part is determined on a periodical basis.

Mutual Funds may enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions has to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme. Exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme.

The scheme shall use derivative position for hedging the portfolio risk on a non-leverage basis. The scheme shall fully cover their positions in the derivatives market by holding underlying securities / cash or cash equivalents / option and / or obligation for acquiring underlying assets to honour the obligations contracted in the derivatives market.

Let us look at an example of an interest rate swap:

Entity A has Rs.20 crores, 3 month asset which is being funded through call. Entity B, on the other hand, has deployed Rs.20 crores in overnight call money market, 3 month liability. Both the entities are taking on an interest rate risk.

To hedge against the interest rate risk, both the entities can enter into a 3 month swap agreement based on say MIBOR (Mumbai Inter Bank Offered Rate). Through this swap, entity B will receive a fixed pre agreed rate (say 8%) and pay NSE MIBOR ("the benchmark rate") which will neutralize the interest rate risk of lending in call. Similarly, entity A will neutralize its interest rate risk from call borrowing as it will pay 8% and receive interest at the benchmark rate.

Assuming the swap is for Rs.20 crores 1 September to 1 December, Entity A is a floating rate receiver at the overnight compounded rate and Entity B is a fixed rate receiver. On a daily basis, the benchmark rate fixed by NSE will be tracked by them.

On December 1, they will calculate as explained below:

Entity A is entitled to receive daily compounded call rate for 92 days and pay 8% fixed. Entity B is entitled to receive interest on Rs.20 crores @ 8% i.e. Rs.40.33 lakhs, and pay the compounded benchmark rate.

Thus on December 1, if the total interest on the daily overnight compounded benchmark rate is higher than Rs.40.33 lakhs, entity B will pay entity A the difference and vice versa.

Forward Rate Agreement (FRA)

A FRA is basically a forward starting IRS. It is an agreement between two parties to pay or receive the difference between an agreed fixed rate (the FRA rate) and the interest rate (reference rate) prevailing on a stipulated future date, based on a notional principal amount for an agreed period. The only cash flow is the difference between the FRA rate and the reference rate. As is the case with IRS, the notional amounts are not exchanged in FRAs.

Example: Let us assume that a scheme has an investment of Rs.10 crore in an instrument that pays interest linked to NSE Mibor. Since the NSE Mibor would vary daily, the scheme is running interest rate risk on its investment and would stand to lose if rates go down. To hedge itself against this risk, the scheme could do an IRS where it receives a fixed rate (assume 10%) for the next 5 days on the notional amount of Rs. 10 crore and pay a floating rate (NSE Mibor). In doing this, the scheme would effectively lock itself into a fixed rate of 10% for the next five days. The steps would be:

1. The scheme enters into an IRS on Rs. 10 crore from December 1 to December 6. It receives a fixed rate of interest at 10% and the counter party receives the floating rate (NSE Mibor). The scheme and the counter party exchange a contract of having entered into this IRS.
2. On a daily basis, the NSE Mibor will be tracked by the counterparties to determine the floating rate

payable by the scheme.

3. On December 6, the counterparties will calculate the following:
 - The scheme will receive interest on Rs. 10 crore at 10% p.a. for 5 days i.e. Rs.1,36,986/-
 - The scheme will pay the compounded NSE Mibor for 5 days by converting its floating rate asset into a fixed rate through the IRS.
 - If the total interest on the compounded NSE Mibor rate is lower than Rs. 1,36,986/-, the scheme will receive the difference from the counterparty and vice-versa. In case the interest on compounded NSE Mibor is higher, the scheme would make a lower return than what it would have made had it not undertaken IRS.

Risks:

Interest rate swaps and Forward Rate Agreement require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that the derivative adds to the portfolio and the ability to forecast failure of another party (usually referred to as the “counter-party”) to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives, the credit risk where the danger is that of a counter-party failing to honour its commitment, liquidity risk where the danger is that the derivative cannot be sold at prices that reflect the underlying assets, rates and indices, and price risk where the market price may move in adverse fashion.

As is clear from the above examples, engaging in derivatives has the potential to help the schemes in minimising the portfolio risk and/or improve the overall portfolio returns.

Interest Rate Futures and Imperfect Hedging

An Interest Rate Futures (‘IRF’) contract is “an agreement to buy or sell a debt instrument at a specified future date at a price that is fixed today.” The underlying security for Interest Rate Futures is either Government Bond or T-Bill. Interest Rate Futures are Exchange traded and standardized contracts based on 6 year, 10 year and 13 year Government of India Security and 91-day Government of India Treasury Bill (91DTB). These future contracts are cash settled. These instruments can be used for hedging the underlying cash positions.

Numerical Example –

When the underlying asset being hedged and the IRF contract are based on the same instrument, the hedge is known as a perfect hedge.

Imperfect hedging is when the underlying asset being hedged and the IRF contract has a 90 day correlation of closing prices of more than 90%. If such a correlation does not exist at any time, the derivative position shall be counted as exposure. Maximum permissible imperfect hedging is 20%. For example, assume a portfolio comprising the following structure:

Security	Amount (crs)	Price (INR)
IGB 6.79% 2027	50	94.6
IGB 6.68% 2031	25	91
IGB 7.17% 2028	15	98
Cash	10	-
Total	100	

Assuming the fund manager intends to hedge the portfolio using IRF and uses contracts on IGB 6.79% 2027 as it is most liquid. Maximum permissible imperfect hedging is 20%. For the above fund is $100 \times 20\% = \text{INR } 20 \text{ crores}$. Maximum perfect hedging using 6.79% 2027 is INR 50 crores. Total hedge the fund can enter into is INR 50 crores + INR 20 crores = INR 70 crores. Assuming the 90 day historical correlation between the instruments in the portfolio are as follows:

90 day historical correlation	IGB 6.79% 2027	IGB 6.68% 2031	IGB 7.17% 2028
IGB 6.79% 2027	1	0.95	0.85
IGB 6.68% 2031	0.95	1	0.80
IGB 7.17% 2028	0.85	0.80	1

Given that we are using IRF on 6.79% 2027, we can hedge 6.68% 2031 using IRFs as correlation is more than 90% upto INR 20 crores (based on the 20% limit of imperfect hedging). Since one contract of IRF has a notional value of INR 2 lakhs, in this example the fund manager may sell (INR 70 crores/2 lakhs) 3500 contracts, to hedge his position.

Scenario 1: When the bonds close higher than at the time the hedge was entered into:

Security	Amount (crs)	Price before hedging (INR)	Price on maturity of hedge (INR)	Gain/Loss	Net Gain (INR lakhs)
IGB 6.79% 2027	50	94.6	94.7	0.1	5
IGB 6.68% 2031	25	91	91.15	0.15	3.75
IGB 7.17% 2028	15	98	98.05	0.05	0.75
Cash	10				
Without IRF					9.5
IRF based on IGB 6.79% 2027	70	94.5	94.65	-0.15	-10.5
Total with IRF	100				-1

Scenario 2: When the bonds close lower than at the time the hedge was entered into:

Security	Amount (crs)	Price before hedging (INR)	Price on maturity of hedge (INR)	Gain/Loss	Net Gain (INR lakhs)
IGB 6.79% 2027	50	94.6	94.5	-0.1	-5
IGB 6.68% 2031	25	92	91.85	-0.15	-3.75
IGB 7.17% 2028	15	100	99.95	-0.05	-0.75
Cash	10				-
Without IRF					-9.5
IRF based on IGB 6.79% 2027	70	98.5	98.45	0.05	3.5
Total with IRF	100				-6

As can be seen in the cases above, IRFs help in reducing the volatility of the loss/gain to the fund in case of yield movements.

Please note these examples are hypothetical in nature and are given for illustration purposes only. The actual returns may vary depending on the market conditions.

The AMC retains the right to enter into such derivative transactions as may be permitted by the applicable regulations from time to time.

SECURITIES LENDING

If permitted by SEBI under extant regulations/guidelines, the Scheme may also engage in scrip lending as provided under Securities Lending Scheme 1997, and other applicable guidelines/regulations, as amended from time to time. Scrip lending means lending a security to another person or entity for a fixed period of time, at a negotiated compensation. The security lent will be returned by the borrower on or before the expiry of the stipulated period.

The AMC will comply with the required reporting obligations and the Trustee will carry out the reviews required under SEBI/RBI guidelines. Further a maximum of 40% of net assets will be deployed in securities lending and the maximum single party exposure will be restricted to 10% of net assets outstanding at any point of time.

Engaging in scrip lending is subject to risks related to fluctuations in the collateral value / settlement / liquidity / counter party.

SHORT SELLING OF SECURITIES

If permitted by SEBI Regulations, the Scheme may engage in short selling of securities in accordance with the guidelines issued by SEBI. Short sale of securities means selling of securities without owning them. The AMC will comply with the guidelines issued by SEBI in this behalf, including reporting obligations and the Trustee will carry out the reviews required under said guidelines.

Engaging in short sale of securities is subject to risks related to fluctuations in market price, and settlement/ liquidity risks.

INVESTMENT IN SECURITISED DEBT**1. How the risk profile of securitized debt fits into the risk appetite of the scheme**

Securitization is the fact or process of securitizing assets i.e. the conversion of loans into securities, usually in order to sell them on to other investors. This is done by assigning the loans to a special purpose vehicle (a trust), which in turn issues Pass-Through-Certificates (PTCs). These PTCs are transferable securities with fixed income characteristics. The risk of investing in securitized debt is similar to investing in debt securities. However it differs mainly in two respects. One, the liquidity of securitized debt is less than similar debt securities. Two, for certain types of securitized debt (backed by mortgages, personal loans, credit card debt, etc.), there is an additional pre-payment risk. Pre-payment risk refers to the possibility that loans are repaid before they are due, which may reduce returns if the re-investment rates are lower than initially envisaged.

Because of these additional risks, securitized debt typically offers higher yields than debt securities of similar credit rating and maturity. After considering these additional risks, the investment is no different from investment in a normal debt security. Considering the investment objective of the scheme, these instruments with medium risk profile can be considered in the investment universe. Thus if the Fund Manager judges that the additional risks are suitably compensated by the higher returns, he may invest in securitized debt up to the limits specified in the asset allocation table.

2. Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc

Investments in securitized debt will be done based on the assessment of the originator and the securitized debt which is carried out by the Fixed Income team based on the in-house research capabilities as well as the inputs from the independent credit rating agencies and by following Franklin Templeton's internal credit process.

Specifically, in order to mitigate the risk at the issuer/originator level the Fixed Income team will consider various factors which will include -

- Track record of the originator in the specific business to which the underlying loans correspond to;
- size and reach of the issuer/originator;
- Collection infrastructure & collection policies;
- Post default recovery mechanism & infrastructure;
- Underwriting standards & policies followed by originator;
- Management information systems;
- Financials of the originators including an analysis of leverage, NPAs, earnings, etc.;
- Future strategy of the company for the specific business to which the underlying loans correspond to;
- Performance track record of Originator's portfolio & securitized pools, if any;
- Utilization of credit enhancement in the prior securitized pools;
- The quality of information disseminated by the issuer/ originator; and
- The credit enhancement for different types of issuer/originator.

Also, assessment of business risk would be carried out which includes -

- Outlook for the economy (both domestic and global); and
- Outlook for the industry

In addition, the fund analyses the specific pool and the broad evaluation parameters are as follows:

- Average seasoning of the loans in the pool
- Average Loan to value ratio of the loans in the pool
- Average ticket size of the loans
- Borrower profile (salaried / self employed, etc)
- Geographical profile of the pool
- Tenure profile of the pool
- Obligor concentration
- Credit enhancement cover available over and above the historic losses on Originator's portfolio
- Expected Prepayment rate in the specific asset class experienced by the originator in the past as well as the industry
- Limited Liquidity and Price Risk.

The scheme will invest in securitized debt which are rated investment grade and above by a credit rating agency recognized by SEBI. The investment team analyses the Rating Rationale in detail before investing in any PTCs, and also discusses with the concerned rating agency on a need basis. The rating agency would normally take in to consideration the following factors while rating a securitized debt:

- Credit risk at the asset/originator/portfolio/pool level
 - The quality of the pool is a crucial element in assessing credit risk. In the Indian context, generally, pools are 'cherry-picked' using positive selection criteria. To protect the investor from adverse selection of pool contracts, the rating agencies normally take into consideration pool characteristics such as pool seasoning (seasoning represents the number of instalments paid by borrower till date: higher seasoning represents better quality), over dues at the time of selection and Loan to Value (LTV). To assess its risk profile vis-à-vis the overall portfolio, the pool is analysed with regard to geographical location, borrower profile, LTV, and tenure.
- Counterparty risk
 - This includes Servicer Risk, co-mingling risk etc. The rating agencies generally mitigate such risks through the usage of stringent counterparty selection and replacement criteria to reduce the risk of failure.
- Bankruptcy risk
 - Of the Originator –
 - Normally, specific care is taken in structuring the securitization transaction so as to minimize the risk of the sale to the trust not being construed as a 'true sale'. It is also in the Interest of the originator to demonstrate the transaction as a true sell to get the necessary revenue recognition and tax benefits.
 - Of the Investors' agent
 - All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets/receivables if and when held by Investor's Agent is held as agent and in Trust for the Investors and shall not form part of the personal assets of Investor's Agent.
- Legal risks
 - The rating agency normally conducts a detailed study of the legal documents to ensure that the investors' interest is not compromised and relevant protection and safeguards are built into the transaction.
 - Various market risks like interest rate risk, macro-economic risks
 - Assessment of risks related to business for example outlook for the economy, outlook for the industry and factors specific to the issuer/originator.

3. Risk mitigation strategies for investments with each kind of originator

The examples of securitized assets which may be considered for investment by the Scheme and the various risk mitigation parameters (please read in continuation with point 2 above) which will be considered include;

A) Asset backed securities issued by banks or non-banking finance companies.

Underlying assets may include receivables from loans against cars, commercial vehicles, construction equipment or unsecured loans such as personal loans, consumer durable loans. The various factors which will be usually considered while making investments in such type of securities include profile of the issuer, analysis of underlying loan portfolio – nature of asset class, seasoning of loans, geographical distribution of loans and coverage provided by credit-cum-liquidity enhancements.

B) Mortgage backed securities issued by banks or housing finance companies, where underlying assets are comprised of mortgages/home loan.

The various factors which will be usually considered while making investments in such type of securities include issuer profile of the issuer, quality of underlying portfolio, seasoning of loans, coverage provided by credit-cum-liquidity enhancements and prepayment risks.

C) Single loan securitization, where the underlying asset comprises of loans issued by a bank/non-banking finance company.

The factors which will be usually considered while making investments in such type of securities include assessment of credit risk associated with the underlying borrower as well as the originator. The Fixed Income team will adhere to the Franklin Templeton's internal credit process and perform a detailed review of the underlying borrower prior to making investments. This analysis is no different from the analysis undertaken by Fund when it invests in Debentures or Commercial papers issued by the same borrower.

Critical Evaluation Criteria

Typically the Fund would avoid investing in securitization transaction (without specific risk mitigation strategies / additional cash/security collaterals/ guarantees) if there are concerns on the following issues regarding the originator / underlying issuer:

1. High default track record/ frequent alteration of redemption conditions/covenants
2. High leverage ratios – both on a standalone basis as well on a consolidated level/ group level
3. Higher proportion of re-schedulement of underlying assets of the pool or loan, as the case may be
4. Higher proportion of overdue assets of the pool or the underlying loan, as the case may be
5. Poor reputation in market
6. Insufficient track record of servicing of the pool or the loan, as the case may be.

Further, investments in securitized debt will be done in accordance with the investment restrictions specified under the SEBI Regulations/ this Scheme Information Document which would help in mitigating certain risks. Currently, as per the Regulations, the Scheme cannot invest more than 10% of its net assets in debt instruments (irrespective of residual maturity) issued by a single issuer which are rated not below investment grade by a credit rating agency authorized to carry out such activity under the Act. Such investment limit may be extended to 12% of the net assets of the Scheme with the prior approval of the Board of Trustees and the Board of the AMC.

4. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments

The framework which will generally be applied by the Fund Manager while evaluating the investment decision with respect to securitized debt will be as follows:

Characteristics/ Type of Pool	Mortgage Loan	Commercial Vehicle and Construction Equipment	CAR	2 wheelers	Micro Finance Pools	Person al Loans	Single Sell down \$	Others
Approximate Average maturity (in Months)	Upto 10 years	Upto 5 years	Upto 5 years	Upto 48 months	Upto 80 weeks	Upto 3 years	Case by case basis	As and when new asset classes of securi tized debt are introdu ced, the invest ments in such instrum ents will be evaluat ed on a case by case basis
Collateral margin (including cash, guarantees, excess interest spread, subordinate tranche)	In excess of 3%	In excess of 4%	In exce ss of 4%	In excess of 4%	In excess of 5%	In excess of 5%	Case by case basis	
Average Loan to Value Ratio	95% or lower	100% or lower **	95% or lower	95% or lower	Unsecur ed	Unsecur ed	Case by case basis	
Average seasoning of the Pool	Minimu m 2 months	Minimum 2 months	Mini mum 2 mont hs	Minimum 2 months	Minimum 2 weeks	Minimu m 2 months	Case by case basis	
Maximum single exposure range *	< 5%	< 5%	NA (retail pool)	NA (retail pool)	NA (Very Small retail pool)	NA (retail pool)	Not applica ble	
Average single exposure range % *	< 5%	< 5%	< 2%	< 1%	< 1%	< 1%	Not applica ble	

* denotes % of a single ticket/loan size to the overall assets in the securitized pool.

** LTV Based on chassis value

\$ Broad evaluation criteria as per point 3 above

Notes:

1. Retail pools are the loan pools relating to Car, 2 wheeler, micro finance and personal loans, wherein the average loan size is relatively small and spread over large number of borrowers.

2. The information illustrated in the table above is based on current scenario relating to securitized debt market and is subject to change depending upon the change in the related factors.

In addition to the framework stated in the table above, in order to mitigate the risks associated with the underlying assets where the diversification is less, at the time of investment the Fixed Income team could consider various factors including but not limited to -

- Size of the loan - the size of each loan is generally analysed on a sample basis and an analysis of the static pool of the originator is undertaken to ensure that the same matches with the static pool characteristics. It also indicates whether there is high reliance on very small ticket size borrower which could result in delayed and expensive recoveries.
- Average original maturity of the pool of underlying assets
- The analysis of average maturity of the pool is undertaken to evaluate whether the tenor of the loans are generally in line with the average loans in the respective industry and repayment capacity of the borrower.
- Loan to value ratio, average seasoning of the pool of underlying assets - these parameters would be evaluated based on the asset class as mentioned in the table above.
- Default rate distribution - the Fixed Income team generally ensures that all the contracts in the pool are current to ensure zero default rate distribution.
- Geographical distribution - the analysis of geographical distribution of the pool is undertaken to ensure prevention of concentration risk.
- Credit enhancement facility - credit enhancement facilities in the form of cash collateral, such as fixed deposits, bank guarantee etc could be obtained as a risk mitigation measure.
- Liquidity facility - these parameters will be evaluated based on the asset class as mentioned in the table above.
- Structure of the pool of underlying assets - The structure of the pool of underlying assets would be either single asset class or combination of various asset classes as mentioned in the table above. We could add new asset class depending upon the securitization structure and changes in market acceptability of asset classes.

5. Minimum retention period of the debt by originator prior to securitization

The minimum retention period of the debt by the originator prior to securitization and the minimum retention percentage by originator of debts will be as per the guidelines/regulations issued by the RBI/other regulatory agencies from time to time. Also, please refer the table in point 4. The Fund will adopt that policy, whichever is stricter.

6. Minimum retention percentage by originator of debts to be securitized

Same as point 5 above.

7. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund

An investment by the scheme in any security is done after detailed analysis by the Fixed Income team and in accordance with the investment objectives and the asset allocation pattern of a scheme. All investments are made on an arms length basis without consideration of any investments (existing/potential) in the schemes made by any party related/involved in the transaction. The robust credit process ensures that there is no conflict of interests when a scheme invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme.

8. The resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt

The resources for and mechanisms of individual risk assessment with the AMC for monitoring investment in securitized debt are as follows:

- Fixed Income Team is responsible for credit research and monitoring and fund management, for all exposures including securitized debt.
- Ratings are monitored for any movement – Based on the cash flow report and Fixed Income Team's view, periodic review of utilization of credit enhancement shall be conducted and ratings shall be monitored accordingly.

- For legal and technical assistance with regard to the documentation of securitized debt instruments, the team can make use of resources within the internal legal team and if required take help of our external legal counsel as well.

As per the prevailing SEBI guidelines, the investments in securitised debt instruments will be shown as a separate category under debt instruments in the half yearly disclosure of scheme portfolio.

Real Estate Investment Trusts (REITs) and Infrastructure Investment Trusts (InvITs):

In accordance with SEBI circular no. SEBI/HO/IMD/ DF2/CIR/P/2017/17 dated February 28, 2017 and amendments thereto from time to time, the Scheme may invest in units of Infrastructure Investment Trusts (InvITs) and Real Estate Investment Trusts (REITs) within the stipulated investment limits.

Investments in repo of corporate debt securities:

➤ **Guidelines for participation in repo of corporate debt securities**

SEBI has vide circular no. CIR / IMD / DF / 19 / 2011 dated November 11, 2011 and circular no. CIR/IMD/DF/23/2012 dated November 15, 2012 enabled mutual funds to participate in repos in corporate debt securities as per the guidelines issued by Reserve Bank of India (RBI) from time to time and subject to few conditions listed in the said SEBI circular.

Applicable conditions are as follows:

- The gross exposure of any mutual fund scheme to repo transactions in corporate debt securities shall not be more than 10 % of the net assets of the concerned scheme.
- The cumulative gross exposure through repo transactions in corporate debt securities along with equity, debt and derivatives shall not exceed 100% of the net assets of the concerned scheme.
- Mutual funds shall participate in repo transactions only in AA and above rated corporate debt securities.
- In terms of Regulation 44 (2) of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, mutual funds shall borrow through repo transactions only if the tenor of the transaction does not exceed a period of six months.

Other guidelines are as follows:

- **Category of counter party & Credit rating of counter party**
All entities eligible for transacting in corporate bond repos as defined by SEBI and RBI shall be considered for repo investments with the caveat that the credit rating of the counterparty should be equal to or higher than AA- (long term rating).
- **Tenor of Repo**
Tenor of repo shall be capped to 3 months as against maximum permissible tenor of 6 months. Any repo for a tenor beyond 3 months shall require prior approval from investment committee of the fund. There shall be no restriction / limitation on the tenor of collateral.
- **Applicable haircut**
As per the RBI circular RBI/2012-13/365 IDMD.PCD.09/14.03.02/2012-13, the minimum haircut applicable on the market value of the corporate debt securities prevailing on the date of trade of 1st leg, would be as under:

Rating	AAA	AA+	AA
Minimum Haircut	7.5%	8.5%	10%

As per the SEBI guidelines, Mutual Funds may undertake repo in only AA and above rated corporate bond securities. Also, the Fund Manager may ask for a higher haircut (while lending) or give a higher haircut (while borrowing) depending on the prevailing market situation.

The investment restrictions applicable to scheme's participation in corporate bond repos will also be as prescribed or varied by SEBI or by the Board of Trustee and AMC (subject to SEBI restrictions) from time to time.

E. INVESTMENT STRATEGY

Invests in floating rate instruments and other debt & money market instruments with an aim to minimise the risk arising from interest rate fluctuations.

F. FUNDAMENTAL ATTRIBUTES

Please note that the following are the fundamental attributes of the scheme:

- **Type of scheme** – An open ended debt scheme predominantly investing in floating rate instruments (including fixed rate instruments converted to floating rate exposures using swaps/ derivatives)
- **Investment objective** – The Fund seeks to provide income and liquidity consistent with the prudent risk from a portfolio comprising of floating rate debt instruments, fixed rate debt instruments swapped for floating rate return, and also fixed rate instruments and money market instruments.
- **Investment pattern, minimum and maximum asset allocation.** - Please refer to the section “Asset Allocation Pattern”. The fund retains the option to alter the asset allocation on a short-term basis in the interest of unitholders on defensive considerations.
- **Liquidity provisions such as repurchase or redemption** – Please refer to the section ‘Units and Offer’.
- **Aggregate fees and expenses charged to the scheme** - Please refer to the section ‘Fees and Expenses of the Scheme’.
- **Any Safety Net of Guarantee provided** – None.

In accordance with Regulation 18(15A), the Trustee shall ensure that no change in the fundamental attributes of any scheme or the trust or fees and expenses payable or any other change which would modify the scheme and affects the interest of unitholders, shall be carried out unless, -

- a written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nation-wide circulation as well as a newspaper published in the language of the region where the head office of the mutual fund is situated; and
- the unitholders are given an option for a period of 30 days to exit at the prevailing Net Asset Value without any exit load.

G. BENCHMARK

The Scheme has identified **Crisil Liquid Fund Index** as the benchmark.

The Scheme invests in short term debt and money market securities and hence Crisil Liquid Fund Index is considered as the ideal benchmark for the Scheme. The AMC / Trustee reserve the right to change / modify the benchmark by issuing an addendum.

I. INVESTMENT RESTRICTIONS

In pursuance of the Regulations, the following restrictions are currently applicable to the scheme:

1. Investment in securities from the scheme's corpus would be only in transferable securities in accordance with Regulation 43 of Chapter VI of SEBI [Mutual Funds] Regulations, 1996.
2. The Scheme shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities; provided that the Scheme may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI; provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.
3. The Mutual Fund shall, get the securities purchased or transferred in the name of the mutual fund on account of the concerned scheme, wherever investments are intended to be of long term nature.
4. No investment shall be made in any Fund of Funds scheme.
5. The mutual fund shall not advance any loans for any purpose.
6. The Scheme may invest in any other scheme without charging any fees, provided that aggregate interscheme investment made by all schemes under the management of Franklin Templeton Asset Management (India) Private Limited or in schemes under the management of any other AMC shall not exceed 5% of the net asset value of the mutual fund.
7. The Scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer, which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the SEBI Act, 1992. Such investment limit may be extended to 12% of the NAV with prior approval of the Board of Trustees and Board of the AMC, provided that such limit shall not be applicable for investment in government securities, treasury bills and collateralized borrowing and lending obligations. Further, investment within such limit can be made in mortgage backed securitised debt which are rated not below investment grade by a credit rating agency registered with SEBI.
8. Investment in unlisted debt instruments:
 - 8.1. The scheme shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used for hedging.
However, the scheme may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio of the scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.
 - 8.2. The implementation of the provisions mentioned above would be subject to the following:
 - a) Timelines and investment limits:

Timeline (As on)	30/09/2020	31/12/2020
Maximum investment in unlisted NCDs as % of the debt portfolio of the scheme.	15%	10%

- b) The existing investments of the scheme as on October 1, 2019 in unlisted debt instruments, including NCDs, may be grandfathered till maturity date of such instruments. The grandfathering of the identified NCDs is applicable across the mutual fund industry. Accordingly, mutual funds can transact in such identified NCDs and the criteria as specified in point 8.1 is not applicable
- c) With effect from October 1, 2019, all fresh investments in unlisted NCDs shall be made only in NCDs satisfying the conditions mentioned in 8.1 above.
- d) Extension of maturity or rolling over of existing investments in unlisted NCDs shall be subject

- to the prescribed limits mentioned in point 8.2(a) and the requirements mentioned at 8.1 above.
- e) For mutual fund schemes whose existing investments in unlisted NCDs are more than the threshold limit as on the timeline mentioned at 8.2(a), all fresh investments in NCDs by mutual fund schemes, shall only be in listed NCDs till they comply with the requirements mentioned in 8.1 above.
 - f) For the purpose of the provisions of point 8, listed debt instruments shall include listed and to be listed debt instruments.
 - g) With effect from January 01, 2020, all fresh investments by the scheme in CPs would be made only in CPs which are listed or to be listed.
9. Investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. by the scheme shall be subject to the following:
- a) Investments should only be made in such instruments, including bills rediscounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (Mutual Fund) Regulations, 1996 and various circulars issued thereunder.
 - b) Exposure of the scheme in such instruments, shall not exceed 5% of the net assets of the scheme.
 - c) All such investments shall be made with the prior approval of the Board of AMC and the Board of Trustees.
 - d) The investments of the schemes in such instruments as on October 1, 2019 in excess of the aforesaid limit of 5% may be grandfathered till maturity date of such instruments.
10. **a. Sector exposure** with effect from October 1, 2019 with regard to fresh investment –
 The exposure in a particular sector (excluding investments in Bank CDs, TREPs, G-Secs, T-Bills and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) under the portfolio will not exceed 20% of the net assets on account of purchase.
 An additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the scheme on account of purchase shall be allowed by way of increase in exposure to Housing Finance Companies (HFCs) only. Further, an additional exposure of 5% of the net assets of the scheme shall be allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio.
 Provided that the additional exposure to such securities issued by HFCs are rated AA and above and these HFCs are registered with National Housing Bank (NHB) and the total investment/ exposure in HFCs shall not exceed 20% of the net assets of the scheme on account of purchase.
 Investments by the Scheme as on October 1, 2019 shall comply with the revised limits for sector exposure by June 30, 2020.
- b. Group exposure -**
 The total exposure of Scheme in a Group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) will not exceed 20% of the net assets of the Scheme. Such investment limit may be extended to 25% of the net assets of the Scheme with the prior approval of the Board of Trustees.
 Investments by the Scheme in debt and money market instruments of group companies of both the sponsor and the asset management company shall not exceed 10% of the net assets of the scheme. Such investment limit may be extended to 15% of the net assets of the Scheme with the prior approval of the Board of Trustees. The investments of the scheme in debt and money market instruments of group companies of both the sponsor and the asset management company of the mutual fund in excess of these limits, made on or before October 1, 2019 may be grandfathered till maturity date of such instruments. The maturity date of such instruments shall be as applicable on October 1, 2019
 For this purpose, a group means a Group as defined under regulation 2 (mm) of SEBI (Mutual Funds) Regulations, 1996 (Regulations) and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.
11. Debentures, irrespective of any residual maturity period (above or below one year), shall attract the investment restrictions as applicable for debt instruments as specified under Clause 1 and 1A of Seventh Schedule to SEBI Regulations.
12. In terms of SEBI Circulars dated September 26, 2007 each mutual fund is currently permitted to invest up to US\$300 million in Foreign Securities irrespective of the size of the assets. The ceiling for investment in overseas ETFs that invest in securities is US\$ 50 million per mutual fund.
 Currently, the mutual funds can invest in ADRs/GDRs issued by Indian or foreign companies, equity of overseas companies listed on recognised stock exchanges overseas, Initial and follow on public offerings for listing at recognized stock exchanges overseas, foreign debt securities in the countries with fully convertible currencies, short term as well as long term debt instruments with rating not below

investment grade by accredited/registered credit rating agencies, Money market instruments rated not below investment grade, Repos in the form of investment, where the counterparty is rated not below investment grade (repos should not however, involve any borrowing of funds by mutual funds), Government securities where the countries are rated not below investment grade, Derivatives traded on recognized stock exchanges overseas only for hedging and portfolio balancing with underlying as securities, Short term deposits with banks overseas where the issuer is rated not below investment grade and Overseas Exchange Traded Funds (ETFs) that invest in securities. The mutual funds can also invest in the units/securities issued by overseas mutual funds or unit trusts registered with overseas regulators and investing in (a) aforesaid securities, (b) Real Estate Investment Trusts (REITs) listed in recognized stock exchanges overseas or (c) unlisted overseas securities (not exceeding 10% of their net assets). The restriction on the investments in mutual fund units up to 5% of net assets and prohibition on charging of fees shall not be applicable to investments in mutual funds in foreign countries made in accordance with SEBI Guidelines. However, the management fees and other expenses charged by the mutual fund in foreign countries along with the management fee and recurring expenses charged to the domestic mutual fund scheme shall not exceed the total limits on expenses as prescribed under Regulations. Where the scheme is investing only a part of the net assets in the foreign mutual fund(s), the same principle shall be applicable for that part of investment.

13. Real Estate Investment Trusts (REITs) and Infrastructure Investment Trusts (InvITs)

The Scheme may invest in the units of REITs and InvITs subject to SEBI prescribed limits from time to time. Currently following limits are prescribed by SEBI:

(a) Franklin Templeton Mutual Fund under all its schemes shall own not more than 10% of units issued by a single issuer of InvITs and REITs; and

(b) The Scheme shall not invest:

i. more than 10% of its net assets in the units of REITs and InvITs; and

ii. more than 5% of its net assets in the units of REITs and InvITs issued by a single issuer.

14. Repo transactions in corporate debt securities

- The gross exposure of any mutual fund scheme to repo transactions in corporate debt securities shall not be more than 10 % of the net assets of the concerned scheme.

- The cumulative gross exposure through repo transactions in corporate debt securities along with equity, debt and derivatives shall not exceed 100% of the net assets of the concerned scheme.

15. Transfers of investments from one Franklin Templeton Mutual Fund scheme to another will be done as follows:

- such transfers will be done at the prevailing market price for quoted instruments on spot basis.
- the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.

16. No investment shall be made in

- any unlisted security of an associate or group company of the sponsor; or
- any security issued by way of private placement by an associate or group company of the sponsor; or
- the listed securities of group companies of the sponsor which is in excess of 25% of the net assets.

17. Pending deployment of funds in securities in terms of investment objectives of the Scheme, the Mutual Fund can invest the funds of the scheme in short term deposits of scheduled commercial banks in line with SEBI Circular dated April 16, 2007, August 16, 2019 and September 20, 2019.. The Scheme shall abide by the following guidelines for parking of funds in short term deposits:

- “Short Term” for such parking of funds by mutual funds shall be treated as a period not exceeding 91 days.
- Such short term deposits shall be held in the name of the scheme.
- The scheme shall not park more than 15% of the net assets in Short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustees.
- Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the mutual fund in short term deposits.
- The scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
- The Scheme shall not park funds in short-term deposit of a bank, which has invested in the Scheme. The bank in which the scheme has short-term deposit shall not be permitted to invest in the said scheme until the scheme has short-term deposit with such bank.
- AMC shall not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks. The aforesaid limits are not applicable to term deposits placed as margins for trading in cash and derivatives market.

18. Restrictions on Investment in debt instruments having Structured Obligations / Credit

Enhancements:

- Investment of the scheme in the following instruments shall not exceed 10% of the debt portfolio of the scheme and the Group exposure in such instruments shall not exceed 5% of the debt portfolio of the scheme:
 - Unsupported rating of debt instruments (i.e. without factoring-in credit enhancements) is below investment grade.; and
 - Supported rating of debt instruments (i.e. after factoring-in credit enhancement) is above investment grade.

For this purpose, a group means a Group as defined under regulation 2 (mm) of SEBI (Mutual Funds) Regulations, 1996 (Regulations) and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

- These investment limits mentioned above shall not be applicable on investments in securitized debt instruments, as defined in SEBI (Public Offer and Listing of Securitized Debt Instruments) Regulations 2008.
- Investment in debt instruments, having credit enhancements backed by equity shares directly or indirectly, shall have a minimum cover of 4 times considering the market value of such shares. AMC may ensure that the investment in debt instruments having credit enhancements are sufficiently covered to address the market volatility and reduce the inefficiencies of invoking of the pledge or cover, whenever required, without impacting the interest of the investors. In case of fall in the value of the cover below the specified limit, AMC shall initiate necessary steps to ensure protection of the interest of the investors.
- The existing investments by the scheme as on October 1, 2019 in debt instruments that are not in terms of the provisions of point herewith may be grandfathered till maturity date of such debt instruments.

19. The scheme may consider investment in other financial market investments as per guidelines issued by the Central Government/SEBI/RBI from time to time.

The AMC/Trustee may alter these investment restrictions from time to time to the extent SEBI regulations/applicable rules change/permit so as to achieve the investment objective of the scheme. Such alterations will be made in conformity with SEBI regulations. Further, apart from the investment restrictions prescribed under SEBI regulations, the scheme may follow any internal norms vis-à-vis limiting exposure to a particular scrip or sector, etc.

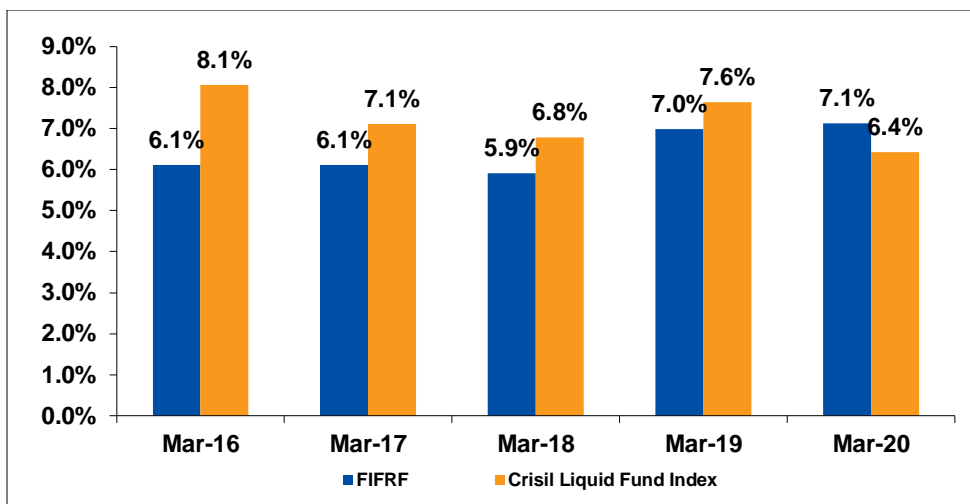

The investment restrictions specified as a percentage of net assets will be computed at the time of making the investment and it is clarified that changes need not be effected, merely by reason of appreciation or depreciation in value or by reason of factors beyond the control of the scheme (such as receipt of any corporate or capital benefits or amalgamations). In case the limits are exceeded due to reasons beyond its control, the AMC shall adopt necessary measures of prudence to reset the situation having regard to the interest of the investors.

PORTFOLIO TURNOVER

Portfolio turnover is defined as lesser of purchases and sales as a percentage of the average corpus of the Scheme during a specified period of time. Portfolio turnover in the scheme will be a function of market opportunities. The scheme is an open-end scheme. It is expected that there would be a number of subscriptions and repurchases on a daily basis. Consequently it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio. The AMC will endeavour to optimise portfolio turnover to optimise risk adjusted return keeping in mind the cost associated with it. A high portfolio turnover rate is not necessarily a drag on portfolio performance and may be representative of arbitrage opportunities that exist for securities held in the portfolio rather than an indication of change in AMC's view on a security etc. However, the AMC will take advantage of the opportunities that present themselves from time to time because of the inefficiencies in the securities markets.

AMC's Board of Directors	0.00
Scheme's Fund Manager(s)	0.00
Other key managerial personnel	0.00

For the purpose of above information, the President of the AMC is covered under the category of AMC's Board of Directors.

04. UNITS AND OFFER

PLAN AND OPTIONS

The scheme offers four Plans – **Growth Plan***, **Direct – Growth Plan**, **Dividend Plan** (with Reinvestment option only)* and **Direct – Dividend Plan** (with Reinvestment option only).

**For sake of clarity and ease of understanding, these Plans may be referred as Regular – Growth Plan and Regular – Dividend Plan in various advertisements and literatures.*

Growth Plan / Direct – Growth Plan

Under the Growth Plan / Direct – Growth Plan, the returns to investors will be available in the form of capital appreciation. There will be no dividend declaration under this option. Instead the growth in NAV will reflect the appreciation of the value of investment.

Dividend Plan / Direct – Dividend Plan

Under the Dividend Plan / Direct – Dividend Plan, it is proposed to distribute the returns to the investors in the form of dividends out of distributable surplus. The AMC/Trustee may, at their discretion, approve the distribution of dividends out of distributable surplus to unit holders in the Dividend Plan / Direct- Dividend Plan whose names appear in the Register of Unit holders on the record date.

The dividend due and payable to the unit holder will be compulsorily reinvested back into the Scheme at the first NAV prevailing after the dividend is distributed. The dividend so reinvested shall be construed as payment of dividends to the unit holder and construed as receipt of the same amount from each unit holder for reinvestment in units.

On reinvestment of dividends, the number of units to the credit of unit holder will increase to the extent of the dividend reinvested divided by the NAV applicable on the day of reinvestment, as explained above.

Direct investments

All applications directly received by Franklin Templeton Asset Management (India) Pvt. Ltd., the AMC, at any Official Point of Acceptance of Transactions i.e. applications which are not routed through any AMFI registered mutual fund distributor, shall be treated as investments made under the **Direct route and the Units shall be allotted in Direct.**

In cases where the distributor's ARN or an existing Account Number is mentioned on the application but the investor has clearly and unambiguously specified that the subscription is under 'Direct', the application will be processed as Direct.

In cases where the distributor's ARN or 'Direct' is not mentioned on the application, the same will be processed as Direct (i.e. Direct Plan shall be the default plan).

DEFAULT PLAN/OPTION

The investors must clearly indicate the Plan and Option (Growth - Regular/ Growth– Direct / Dividend - Regular / Dividend - Direct) in the relevant space provided for in the Application Form. In the absence of such instruction, it will be assumed that the investor has opted for the **Default Plan and Option**, which would be as follows:

- **Growth** in case Growth or Dividend is not indicated.
- Regular Plan or Direct Plan as follows:

Scenario	Broker Code mentioned by the investor	Plan mentioned by the investor	Default Plan to be captured
1	Not mentioned	Not mentioned	Direct
2	Not mentioned	Direct	Direct
3	Not mentioned	Regular	Direct
4	Mentioned	Direct	Direct
5	Direct	Not Mentioned	Direct
6	Direct	Regular	Direct
7	Mentioned	Regular	Regular
8	Mentioned	Not Mentioned	Regular

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under **Regular Plan**. The AMC shall contact and obtain the correct ARN code within 30

calendar days of the receipt of the application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under **Direct Plan** from the date of application without any exit load. The AMC shall not reprocess the transaction under Direct Plan in case the units have been redeemed within the aforesaid 30 calendar days.

The Trustee / AMC reserve the right to alter / vary the default plan / option, after giving notice.

DIVIDEND POLICY

The dividend plan is expected to declare a daily dividend subject to the availability and adequacy of distributable surplus. However, the Trustee is entitled to alter this period or may not declare a dividend at all in the event of inadequacy of distributable income. There is no assurance or guarantee to Unitholders as to the rate of dividend distribution nor will that dividend be paid regularly.

The scheme reserves the right to suspend sale of units for such period of time as it deems necessary before the record date to ensure proper processing.

Dividends will be distributed within 30 days of the declaration of the dividends.

Dividends will be paid by cheque, or electronic mode, as per the payment mode opted for, net of taxes as may be applicable, and payments will be in favour of the Unitholder's registered name or, if there is more than one registered holder, of the first-named registered holder on the original Application Form. To safeguard the interest of Unitholders from loss or theft of dividend cheques, it is mandatory for investors to provide the details of their bank account in the Application Form. Dividend cheques or electronic payments will be sent in accordance with such information. The Trustee may not declare a dividend at all in the event of inadequacy of distributable income. There is no assurance or guarantee to Unitholders as to the periodicity of dividend; rate of dividends distribution nor that dividend will be regularly paid. Dividend so declared may be reinvested in the Scheme at the first ex-dividend NAV. The dividends so reinvested shall be constructive payment of dividends to the Unitholders and constructive receipt of the same amount from each Unitholder for reinvestment in Units.

Record dates for declaration of dividend

The procedure of declaring dividend and fixing of record dates will be in accordance with SEBI circular dated April 4, 2006.

ONGOING OFFER DETAILS

The Scheme is perpetually open for subscription & redemption on an ongoing basis with announcements of NAV for every Business Day, except during the period when there is a book closure. The Units can be purchased and redeemed at the Applicable NAV, subject to applicable load.

Official Points of Acceptance of Transaction

As per SEBI Circular SEBI/IMD/CIR No.11/78450/06 dated October 11, 2006, FTMF hereby declare following as the Official Points of Acceptance of Transactions ("OPAT"):

- all its branch offices [Investor Service Centres (ISC)];
- Servers of FTAMIL/FTMF for transactions through online/electronic modes like FTMF's website (www.franklintempletonindia.com), FT Mobile app or through any other electronic mode introduced from time to time. Additionally, this will also cover transactions submitted in electronic mode by specified banks, financial institutions, distributors etc., on behalf of investors, with whom FTAMIL has entered or may enter into specific arrangements;
- the designated branch offices of **KFIN Technologies Private Limited (KFIN)** and **Computer Age Management Services Limited (CAMS)** (termed as **Collection Centres**);
- the **MF Utilities India Private Limited (MFUI)** website www.mfuonline.com and authorised MFUI Points of Service as updated on www.mfuindia.com;
- The Secured internet site/server hosted or managed by CAMS will also be OPAT in respect of the transactions routed through the distributors who have registered for this facility (in accordance with the terms and conditions, as may be prescribed from time to time).
- in case of transactions done through the stock exchange infrastructure, all the Eligible Stock Brokers, Eligible Clearing Members and Eligible Mutual Fund Distributors will be considered as the OPAT for the transactions done under this facility.

The "cut off time" mentioned in the Scheme Information Document shall be reckoned at these official points. All transaction (purchase/redemption/switch) applications must be demonstrably received by the Mutual Fund at these OPAT.

MANDATORY INFORMATION

As per the directives issued by SEBI, it is mandatory for applicants to mention their bank account numbers in their applications and therefore, investors are requested to fill-up the appropriate box in the application form failing which applications are liable to be rejected.

It is mandatory for all investors (including joint holders, NRIs, POA holders and guardians in the case of minors) to furnish such documents and information as may be required to comply with the Know Your Customers (KYC) policies under the AML Laws. Applications without such documents and information may be rejected.

In terms of SEBI circulars dated April 27, 2007, April 03, 2008 and June 30, 2008 read with SEBI letter dated June 25, 2007, **Permanent Account Number (PAN) would be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction**, except (a) investors residing in the state of Sikkim; (b) Central Government, State Government, and the officials appointed by the courts e.g. Official liquidator, Court receiver etc. (under the category of Government) and (c) investors participating only in micro-pension. SEBI, in its subsequent letter dated July 24, 2012 has conveyed that investments in mutual fund schemes [including investments through Systematic Investment Plan (SIP)] of up to Rs.50,000/- per year per investor shall be exempted from the requirement of PAN.

Accordingly, where the aggregate of lump sum investment (fresh purchase and additional purchase) and SIP instalments by an investor in a financial year i.e., April to March does not exceed Rs.50,000/- (referred to as "Micro investment"), it shall be exempt from the requirement of PAN. However, a duly verified/attested copy of such document(s) as may be prescribed by the AMC/Trustee from time to time, needs to be submitted as the proof of identification in lieu of PAN Card copy. E-PAN issued by CBDT can also be provided by FPI.

This exemption will be available only to Micro investment made by individuals being Indian citizens (including NRIs, joint holders, minors acting through guardian and sole proprietary firms). PIOs, HUFs, QFIs and other categories of investors will not be eligible for this exemption.

For the purpose of identifying Micro investment, applications shall be aggregated at the investor level (same sole holder/joint holders in the same sequence) and such aggregation shall be done irrespective of the number of folios / accounts under which the investor is investing and irrespective of source of funds, mode, location and time of application and payment.

Thus, submission of PAN is mandatory for all existing as well as prospective investors (including all joint

applicants/holders, guardians in case of minors, POA holders and NRIs but except for the categories mentioned above) for transacting with mutual funds. Investors are required to register their PAN with the Mutual Fund by providing the PAN card copy.

All financial transactions with Franklin Templeton Mutual Fund need to comply with the PAN and KYC requirements as stated above, failing which the applications are liable to be rejected. It is clarified that all categories of investors seeking exemption from PAN still need to complete the KYC requirements stipulated by the AMC/Trustee from time to time, irrespective the amount of investment.

Minimum Application Amount

Purchases by a new applicant can be made for a minimum amount of Rs.1,000/- or any amount in multiple of Re.1/- thereafter. Additional purchases of Units by existing unitholders can be made for a minimum of Rs.1,000/- or any amount in multiple of Re.1/- thereafter.

There is no upper limit. The Trustee reserves the right to vary these limits from time to time, in the interest of investors.

ARRANGEMENTS PROPOSED WITH BANKS FOR ACCEPTING APPLICATIONS FOR SUBSCRIPTION AND REDEMPTION

It is our endeavour to substantially improve upon the existing levels of investor service. With a view to achieve this, in addition to the acceptance of the application at ISC Mumbai, the AMC intends to tie up with banks for acceptance of applications for subscriptions and redemptions through banking channels. In order to provide enhanced convenience and high liquidity to the investor, he/she may be allowed to subscribe the units by giving direct instructions to the banker to transfer the funds from his/her bank account into the bank account of the scheme or to redeem the units by giving direct instructions to the banker to redeem the amount from the scheme and deposit the proceeds into the bank account of the investor. Further, the investor may also be allowed to subscribe or redeem through the facility of giving such instructions through Automated Teller Machines (ATM) of the bank (See the section on Process / Limitations and Restrictions on dealing through ATMs). As a result, the investor may have the facility of subscribing or redeeming the units of FIFRF at any time during the day or night through ATMs. This will give the investor faster and more convenient service and will vastly improve upon the existing service standards.

Franklin Templeton Asset Management (India) Private Limited (AMC) may tie up with various banks ("Specified Banks") for making Franklin India Floating Rate Fund (FIFRF) available to their banking and all other prospective clients subject to the terms and conditions prescribed in the Scheme Information Document and subject to other guidelines and Regulations as may be laid down by Securities and Exchange Board of India (SEBI) from time to time. Following would be the general process for the operations:

1. The scheme would be available for investors approaching the fund either directly through the ISC of the AMC or through the branches of the Specified banks.
2. AMC will open current account through which all subscriptions and redemptions would be routed.
3. The scheme would be open to all the customers of the specified banks and all other prospective customers subject to the terms and conditions prescribed in the offer document and subject to other guidelines and Regulations as may be laid down by SEBI from time to time. An option will be given to the customer of the bank to open a FIFRF account.
4. The prospective investor has the option to give an instruction to the bank to transfer a specified sum from his/her current/savings/fixed deposit account to FIFRF as subscription. This will be treated as subscription of the investor into FIFRF and the units will be allotted accordingly. Similarly, for redemptions, the investor has an option to give instruction to the bank to redeem a specified sum from FIFRF.
5. The investor may also give a standing instruction to the bank by way of a letter of instruction to transfer any amount in excess of the specified limit from the current/saving account into FIFRF or redeem the amount from FIFRF if the amount in the bank account falls below the specified limit on any single day. The shortfall in the bank account of the investor will be replenished by redeeming the requisite amount from FIFRF, provided such an amount is available in the investor's FIFRF account.

The final process will vary from bank to bank depending on their technological and other operational capabilities.

Process / Limitations and Restrictions on dealing through ATMs

It is proposed to provide extended convenience to the investor to subscribe/ redeem units through the ATMs of the bank. The list of ATMs with the addresses permissible for subscriptions and redemptions would be intimated to the investors by the concerned bank from time to time.

The investor may be able to subscribe by giving instructions to the banker to transfer the funds in his/ her bank account into the account of the scheme through ATMs. Such instructions received for investments would be sent to the concerned bank branch the next business day and would be processed as per Applicable NAV.

The investor may be allowed to redeem through the facility of ATMs. The maximum amount redeemable would be subject to the arrangements made by the AMC with the banks.

Sale Price for ongoing purchases

For on-going subscriptions, sale price is calculated based on the "Applicable NAV". All the applications will be processed at the Applicable NAV based on the date and time of their receipt at the ISC / Collection Centre, as evidenced by the electronic date / time stamp affixed at the ISC or Collection Centre.

In simple words, Sale Price = Applicable NAV.

Transaction Charges

The AMC/Mutual Fund shall deduct Transaction Charges on purchase/subscription applications received from investors that are routed through a distributor/agent/broker as follows, provided the distributor/agent/broker has opted to receive the transaction charges. The distributors have the option to either opt in or opt out of levying transaction charge based on type of the product:

(i) First time investor in mutual funds:

Transaction Charge of Rs.150/- on purchase/subscription application of Rs.10,000 and above shall be deducted from the subscription amount and paid to the distributor/agent/broker of the investor. Units will be allotted for the balance subscription amount (net of the transaction charge deducted).

(ii) Investors other than first time investor in mutual funds:

Transaction Charge of Rs.100/- per purchase/subscription application of Rs.10,000 and above shall be deducted from the subscription amount and paid to the distributor/agent/broker of the investor. Units will be allotted for the balance subscription amount (net of the transaction charge deducted).

(iii) In case of investments through Systematic Investment Plan (SIP), the Transaction Charge shall be deducted only if the total commitment through SIP (i.e. amount per SIP instalment x No. of SIP instalments) amounts to Rs.10,000/- and above. The Transaction Charge shall be deducted in 3 or 4 instalments, as may be decided by the AMC from time to time.

(iv) The Transaction Charges shall not be deducted for:

- (a) purchase/subscription applications for an amount less than Rs.10,000/-;
- (b) transactions other than purchases/subscriptions relating to new inflows such as switches, redemption, Systematic Transaction Plan, Dividend Transfer Plan etc.;
- (c) direct applications received by the AMC i.e. applications received at any Official Point of Acceptance of Transaction of Franklin Templeton Mutual Fund that are not routed through any distributor/agent/broker; and
- (d) transactions routed through stock exchange platform.(not applicable for ARN holders who have 'opted-in' for levy of transaction charges in respect of mutual fund transactions of their clients routed through stock exchange platforms).

The statement of account shall clearly state that the net investment as gross subscription less transaction charge and give the number of units allotted against the net investment. The upfront commission to distributors shall continue to be paid by the investor directly to the distributor by a separate cheque based on his assessment of various factors including the service rendered by the distributor.

CUT OFF TIMING FOR SUBSCRIPTIONS

Pursuant to SEBI guidelines, the cut off timings and the applicability of Net Asset Value of the scheme is under:

For amount less than Rs.2 lacs

In respect of valid applications received* up to 3:00 p.m. by the Mutual Fund along with a local cheque or a demand draft payable at par at the place where the application is received, the closing NAV of the day on which application is received shall be applicable.

In respect of valid applications received* after 3:00 p.m. by the Mutual Fund along with a local cheque or a demand draft payable at par at the place where the application is received, the closing NAV of the next business day shall be applicable.

However, in respect of valid applications with outstation cheques/demand drafts not payable at par at the place where the application is received*, closing NAV of the day on which cheque/demand draft is credited to the account of Franklin Templeton Mutual Fund shall be applicable.

For amount Rs.2 lacs or more:

In respect of valid applications received* up to 3:00 p.m. by the Mutual Fund and the funds are available for utilisation on the same day before the cut-off time (3:00 p.m.) - the closing NAV of the day on which the funds are available for utilisation shall be applicable.

In respect of valid applications received* after 3:00 p.m. by the Mutual Fund and the funds are available for utilisation on the same day - the closing NAV of the Business Day following the day on which the funds are available for utilisation shall be applicable.

However, irrespective of the time of receipt of application, where the funds are not available for utilisation on the day of the application, the closing NAV of the Business Day on which the funds are available for utilisation before the cut-off time (3:00 p.m.) shall be applicable provided the application is received* prior to availability of the funds.

For determining the availability of funds for utilisation, the funds for the entire amount of subscription/purchase (including switch-in) as per the application should be credited to the bank account of the scheme before the cut-off time and the funds are available for utilisation before the cut-off time without availing any credit facility whether intra-day or otherwise, by the respective scheme.

The Trustee/AMC may alter the limits and other conditions in line with the SEBI Regulations.

*Received at the Official Points of Acceptance of Transactions of Franklin Templeton Mutual Fund.

Temporary change in Cut-off timing: On account of Covid-19 pandemic and taking into account the impact of the revised trading hours for various markets as per various RBI Press Releases, SEBI has communicated to reduce the cut-off timing for subscriptions to 1 p.m. for a temporary period. Any change in the SEBI guidelines on cut-off timing shall be informed to the investors.

Note :-

The applicability of Net Asset Value (NAV) for on-going subscriptions will be as follows:

In case where more than one application is received for purchase/subscription (fresh or additional) into a scheme of the Mutual Fund for an aggregate investment amount equal to or more than Rs.2 lacs on any Business Day across all plans/options of the relevant scheme, then such applications shall be aggregated at the investor level (same holders/joint holders identified by their Permanent Account Numbers (PAN) in the same sequence).

Such aggregation shall be done irrespective of the number of folios under which the investor is investing and irrespective of source of funds, mode, location and time of application and payment.

Accordingly the applicable NAV for such applications shall be the closing NAV of the Business Day on which the funds are available for utilisation before the cut off time (currently 3:00 p.m.) in case of each application.

In case funds are received on separate days and are available for utilisation on different Business Days before the cut off time, the applicable NAV shall be of the closing NAV of the Business day(s) on which the cleared funds are available for utilisation for the respective application.

It is clarified that switches and transactions under SIP, STP, DTP and stock exchange infrastructure will not be considered for aggregation of applications. It is further clarified that in respect of schemes having

more than one portfolio, the aggregation of application will be done at portfolio level.

Allotment of Units / Refund

Full allotment will be made to all valid applications received during continuous offer period. Refund of subscription money will be made to applicants without any return, in case applications are invalid or are rejected. An Account Statement containing the number of Units allotted will be issued within 5 business days from the date of allotment.

The allotment of units is subject to realisation of the payment instrument. Units purchased can be redeemed only after realisation of cheques. Units purchased can be redeemed (including switch-out) only after realisation of the payment. The Mutual Fund will reject any request for redemption (including switch-out) of units in respect of which the payment is not realised.

It is clarified that in case of switch, requests for redemption/switch-out from destination scheme for the units switched shall be accepted and/or processed only if the payment in respect of those units is received from the source scheme to destination scheme.

The Trustee is entitled, in its sole and absolute discretion, to reject any Application. Further, the AMC/ Trustee reserves the right to reject any application post allotment or processing, if subsequently found invalid, contravention of any law or provisions of this Scheme Information Document. In this case, AMC will reverse such invalid allotments in their records and communicate to investors.

Fractional Units

Investors may have Account Statements that show an issuance of fractional Units. Fractional Units will be computed and accounted for up to three decimal places using standard rounding criteria. Fractional Units in no way will affect an investor's ability to redeem Units.

Option to receive allotment and hold units in demat form:

Investors have an option to receive allotment and hold units of the schemes of Franklin Templeton Mutual Fund in demat form. For this purpose, the investors need to furnish the details of their depository account in the Application Form along with a copy of the Client Master Report / List (CMR/CML) or the Transaction Statement (the page reflecting name and holding pattern) for verification of the demat account. The Units allotted in electronic form will be credited to the investor's Beneficiary Account with a Depository Participant (DP) of CDSL or NSDL as per the details furnished by the investor in the Application Form. In case the Unitholder does not wish to get his/her Units converted / allotted in electronic form or the AMC is not able to credit the Units to the beneficiary account(s) of the investor for any reason whatsoever, the AMC shall issue Account statement(s) specifying the Units allotted to the investor. Please note that where the investor has furnished the details of their depository accounts in the Application Form, it will be assumed that the investor has opted for allotment in demat form and the allotment will be made only in demat form as default.

In case of SIP, the units will be allotted based on the applicable NAV as per the terms of the Scheme Information Document of the respective scheme and will be credited to the investor's demat account on weekly basis on realisation of funds. For example, for the subscription amount of the relevant SIP instalment credited to the bank account of Franklin Templeton Mutual Fund during a week (Friday to Thursday), the units allotted will be credited to the investor's demat account on following Monday or the subsequent working day if Monday is a holiday/non-working day for the AMC or the depositories.

However, this facility is not available for investment under Daily Dividend and Weekly Dividend options of the schemes, Switch facility, Systematic Transfer Plan (STP) and Dividend Transfer Plan (DTP).

The existing Unitholders can dematerialise the units held in physical form (represented by Account Statement) at any time by making an application to the Depository Participant by filling up the Conversion Request Form (CRF) and surrendering the Account Statement(s).

LISTING

Being an open-end scheme, the units of the scheme are not listed at any stock exchange. However, subject to the Regulations, the Trustee may decide to list the units of the scheme on any recognised stock exchange.

How to Redeem Units

In order to redeem units, investors must submit a redemption request by filling-up the pre-printed forms and submit / mail the same to any Investor Service Centre (ISC) at Mumbai. All redemption request forms must contain the investor's Folio / Account Number and be duly signed. A web-based Redemption requests may also be submitted on website of the Mutual Fund (www.franklintempletonindia.com) or through any other electronic mode introduced from time to time.

In case of units held in demat mode, applications for redemptions should be submitted to the respective Depository Participants only.

Redemption requests by telephone, telegram, fax or other means or that lack valid signatures may not be accepted.

Redemption of Units (including switch-out, STP-out, etc) will be considered on First-in-First-Out (FIFO) basis.

The Fund, however, may limit the right to make redemptions. See "**Suspension of redemption of units**" below.

Redemption Price

A valid redemption request received on any Business Day will be processed at the "Applicable NAV", subject to applicable load.

All the applications will be processed at the Applicable NAV, subject to applicable load, based on the date and time of their receipt at the ISC, as evidenced by the electronic date / time stamp affixed at the ISC.

The repurchase / exit load shall be charged as a percentage of Net Assets Value (NAV) i.e. applicable load as a percentage of NAV will be deducted from the NAV to calculate repurchase price.

To further elaborate, the redemption price is calculated by multiplying the "Applicable NAV for Redemption" by (1 – Exit Load). The redemption price will be calculated to four decimals using standard rounding criteria. For example, if the "Applicable NAV for Redemption" (rounded) is Rs.12.3269 and the exit load applied is 0.5%, the redemption price will be calculated as follows:

Redemption Price	=	Applicable NAV for Redemption * (1- Exit Load)
	=	12.3269 * (1-0.005)
	=	Rs.12.26526550
	=	Rounded off to Rs.12.2653

CUT OFF TIMING FOR REDEMPTIONS

Pursuant to SEBI guidelines, the cut off timings and the applicability of Net Asset Value of the scheme is under:

In respect of valid applications received up to the cut-off time by the Mutual Fund, same day's closing NAV shall be applicable. In respect of valid applications received after the cut off time by the Mutual Fund, the closing NAV of the next business day shall be applicable.

Temporary change in Cut-off timing: On account of Covide-19 pandemic and taking into account the impact of the revised trading hours for various markets as per various RBI Press Releases, SEBI has communicated to reduce the cut-off timing for redemption to 1 p.m. for a temporary period. Any change in the SEBI guidelines on cut-off timing shall be informed to the investors.

Minimum redemption amount

Rs.1,000/- or any amount thereafter in multiples of Re.1/-.

Since the redemption request for units held in dematerialized mode can be given only in 'number of units' with Depository Participants or on Stock exchange Platform, the provision pertaining to 'Minimum

redemption amount' shall not be applicable to such investors.

The Trustee / AMC reserve the right to vary this limit from time to time, in the interest of investors.

Unitholder may request the redemption of a certain specified Rupee amount or of a certain number of Units. If a redemption request is for both a specified Rupee amount and a specified number of Units, the specified number of Units will be considered the definitive request. In the case where a Rupee amount is specified or deemed to be specified for redemption, the number of Units redeemed will be the amount redeemed divided by the applicable NAV. Redemption requests will be honoured to the extent permitted by the credit balance in the Unitholder's account. The number of Units so redeemed will be subtracted from the Unitholder's account and a statement to this effect will be issued to the Unitholder. If the redemption request exceeds the Balance in the account then the account would be closed and balance sent to the investors. To pay the investor the redemption amount requested for (in Rupees), Franklin Templeton will redeem that many units as would give the investor the net redemption amount requested for, after deducting exit load as applicable from time to time.

Minimum balance to be maintained and Right to close an investor's account

The Mutual Fund may close out an investor's account whenever, due to redemptions, the value of the account falls below the minimum account balance of Rs.1,000/-, and the investor fails to purchase sufficient Units to bring the value of the Account up to the minimum amount or more, after written notice is sent by the Mutual Fund.

Suspension of sale of units

With the approval of the Boards of Directors of the Trustee and the Asset Management Company, the sale of Units may be suspended temporarily or indefinitely when any of the following conditions exist:

1. The equity / debt market stops functioning or trading is restricted.
2. Periods of extreme volatility in the equity / debt market, which, in the opinion of the Investment Manager, is prejudicial to the interest of the investors.
3. When there is a strike by the banking community or trading is restricted by RBI or other authority.
4. Period of extreme volatility in the equity / debt / money market, which in the opinion of the Board of Directors of AMC and Trustee is prejudicial to the interest of the scheme's investors.
5. As and when directed by the Government of India or RBI or SEBI to do so or conditions relating to natural calamity/external aggression/internal disturbances etc. arises, so as to cause volatile movements in the money or debt market, which in the opinion of the AMC, will be prejudicial to the interest of the unitholders, if further trading in the scheme is continued.
6. Break down in the information processing/communication systems affecting the valuation of investments/processing of sale/repurchase request.
7. Natural calamity.
8. SEBI, by order, so directs.
9. Trustee views that increasing the Scheme's size further may prove detrimental to the existing/prospective Unitholders of the Scheme.
10. Any other circumstances which in the opinion of the Board of Directors of AMC and Trustee is prejudicial to the interest of the existing/prospective investors.

Suspension of redemption of units

With the approval of the Boards of Directors of the Trustee and the Asset Management Company, the redemption of Units may be suspended temporarily when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as:

- i. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security. Further, restriction on redemption due to illiquidity of a specific security in the portfolio of a scheme due to a poor investment decision, shall not be allowed.
- ii. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies.
- iii. Operational issues – when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems.

iv. Based on any other guidance/ circular issued by SEBI from time to time.

Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period. The approval from the Boards of AMC / Trustee shall also be informed to SEBI in advance.

When restriction on redemption is imposed, the following procedure shall be applied:

- i. No redemption requests upto Rs. 2 lakh shall be subject to such restriction.
- ii. Where redemption requests are above Rs. 2 lakh, AMC shall redeem the first Rs. 2 lakh without such restriction and remaining part over and above Rs. 2 lakh shall be subject to such restriction.

Any Units which, by virtue of these limitations, are not redeemed on a particular Business Day will be carried forward for redemption on the next following Business Day in order of receipt. Redemptions carried forward will be made at the NAV in effect on the subsequent Business Day(s) on which the condition for redemption request is fulfilled. To the extent multiple redemptions are being satisfied in a single day under these circumstances, such payments will be made pro-rata based on the size of each redemption request. Under such circumstances, redemption cheques may be mailed out to investors within a reasonable period of time and will not be subject to the normal response time for redemption cheque mailing.

In case where more than one application is received for redemption in a scheme for an aggregate redemption amount equal to or more than Rs.2 lakhs on any Business Day across all plans/options of the relevant scheme, then such applications shall be aggregated at the investor level (same holders/joint holders identified by their Permanent Account Numbers (PAN) in the same sequence).

Such aggregation shall be done irrespective of the number of folios under which the investor is redeeming and irrespective of mode, location and time of application.

Segregation of Portfolio

Definitions

- 'Segregated portfolio' shall mean a portfolio, comprising of debt or money market instruments affected by a credit event, that has been segregated in a mutual fund scheme.
- 'Main portfolio' shall mean the scheme portfolio excluding the segregated portfolio.
- 'Total portfolio' shall mean the scheme portfolio including the securities affected by the credit event. For sake of clarity, total portfolio is Main Portfolio plus Segregated Portfolio.

AMC may create segregated portfolio in a mutual fund scheme subject to the following:

1. Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:
 - a. Downgrade of a debt or money market instrument to 'below investment grade', or
 - b. Subsequent downgrades of the said instruments from 'below investment grade', or
 - c. Similar such downgrades of a loan rating.
2. In case of difference in rating by multiple CRAs, the most conservative rating shall be considered. Creation of segregated portfolio shall be based on issuer level credit events and implemented at the ISIN level.
3. Creation of segregated portfolio shall be optional and at the discretion of the Franklin Templeton Asset Management (India) Pvt. Ltd (FTAMIL/AMC).

Creation of segregated portfolio of unrated debt or money market instruments by mutual fund schemes of an issuer that does not have any outstanding rated debt or money market instruments, subject to the following:

- a. Segregated portfolio of such unrated debt or money market instruments may be created only in case of actual default of either the interest or principal amount.
- b. Asset Management Companies are required to inform AMFI immediately about the actual default by the issuer. Upon being informed about the default, AMFI shall immediately inform the same to all AMCs. Pursuant to dissemination of information by AMFI about actual default by the issuer, FTAMIL may segregate the portfolio.

Portfolio of the scheme shall be segregated in accordance with requirements as prescribed by SEBI from time to time.

Process for creation of segregated portfolio

- 1) AMC shall decide on creation of segregated portfolio on the day of credit event/receipt of information about actual default of unrated debt or money market instruments (credit event). Once AMC decides to segregate portfolio, following process shall be followed to implement the decision to segregate portfolio:
 - i. immediately issue a press release disclosing the intention to segregate such debt and money market instrument and its impact on the investors. The mutual fund should also disclose that the segregation shall be subject to Trustee approval. Additionally, the said press release shall be prominently disclosed on the website of FTMF/ FTAMIL.
 - ii. seek approval of Board of AMC and Franklin Templeton Trustee Services Private Limited (Trustee) prior to creation of the segregated portfolio.
 - iii. ensure that till the time the AMC and Trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme shall be suspended for processing with respect to creation of units and payment on redemptions.
- 2) If the Trustee approval is received by FTAMIL,
 - i. Segregated portfolio shall be effective from the day of credit event.
 - ii. FTAMIL shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information shall also be submitted to SEBI.

- iii. An e-mail or SMS should be sent to all unit holders of the concerned scheme.
 - iv. The NAV of both segregated and main portfolio shall be disclosed from the day of the credit event.
 - v. All existing investors in the scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio.
 - vi. No redemption and subscription shall be allowed in the segregated portfolio. However, in order to facilitate exit to unit holders in segregated portfolio, AMC shall enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests.
- 3) If the Trustees do not approve the proposal to segregate portfolio, AMC shall issue a press release immediately informing investors of the same and the scheme shall re-open for subscription and redemption.

Valuation and processing of subscriptions and redemptions

a. Notwithstanding the decision to segregate the debt and money market instrument, the valuation as per the methodologies mentioned in the Valuation Policy should take into account the credit event and the portfolio shall be valued based on the principles of fair valuation (i.e. realizable value of the assets) in terms of the relevant provisions of SEBI (Mutual Funds) Regulations, 1996 and Circular(s) issued thereunder.

b. All subscription and redemption requests for which NAV of the day of credit event or subsequent day is applicable will be processed as per the existing circular on applicability of NAV as under:

- i. Upon trustees' approval to create a segregated portfolio -
 - Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.
 - Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV.
- ii. In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio.

Disclosures

In order to enable the existing as well as the prospective investors to take informed decision, the following shall be adhered to:

1. A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of the credit event shall be communicated to the investors within 5 working days of creation of the segregated portfolio.
2. Adequate disclosure of the segregated portfolio shall appear in all scheme related documents, in monthly and half-yearly portfolio disclosures and in the annual report of the mutual fund and the scheme.
3. The Net Asset Value (NAV) of the segregated portfolio shall be declared on daily basis.
4. The information regarding number of segregated portfolios created in a scheme shall appear prominently under the name of the scheme at all relevant places such as SID, KIM-cum-Application Form, advertisement, AMC and AMFI websites, etc.
5. The scheme performance required to be disclosed at various places shall include the impact of creation of segregated portfolio. The scheme performance should clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery(ies), if any, shall be disclosed as a footnote to the scheme performance.
6. The disclosures at point 4 and 5 above regarding the segregated portfolio shall be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.
7. The investors of the segregated portfolio shall be duly informed of the recovery proceedings of the investments of the segregated portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities.

TER for the Segregated Portfolio

a. No investment and advisory fees on the segregated portfolio shall be charged. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.

b. The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.

c. The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as referred in Regulation 52(6) of SEBI (Mutual Funds) Regulations, 1996 as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the FTAMIL.

d. The costs related to segregated portfolio shall in no case be charged to the main portfolio.

Monitoring by Trustees

a. In order to ensure timely recovery of investments of the segregated portfolio, trustees shall ensure that:

- i. The AMC puts in sincere efforts to recover the investments of the segregated portfolio.
- ii. Upon recovery of money, whether partial or full, it shall be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
- iii. An Action Taken Report (ATR) on the efforts made by the AMC to recover the investments of the segregated portfolio is placed in every trustee meeting till the investments are fully recovered/ written-off.
- iv. The Trustees shall monitor the compliance of SEBI requirements and disclosure in this respect shall be made in half-yearly trustee reports filed with SEBI.

In order to avoid mis-use of segregated portfolio, the Trustees have ensured to have a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.

Risks associated with segregated portfolio

Liquidity risk

- Investor holding units of a segregated portfolio may not able to liquidate their holding till the recovery of dues from the issuer.
- Listing of units of segregated portfolio in a recognized stock exchange does not necessarily guarantee its liquidity. There may not be active trading of units in the stock market. Further trading price of units in the stock market may be significantly lower than the prevailing NAV.

Credit risk

- Security which is part of a segregated portfolio may not realize any value.

SPECIAL PRODUCTS AVAILABLE**Exchanges / Switch**

Investors can, subject to any applicable restriction (such as lien/lock-in) exchange / switch investments from one scheme of Franklin Templeton Mutual Fund to another (e.g. Franklin India Bluechip Fund to Templeton India Value Fund), and from one plan to another of the same scheme (i.e. from Dividend plan to Growth plan) at the applicable NAV (subject to applicable load) provided that

- there is no book closure in either of the schemes/plans.
- the investment sought to be exchanged is not under any lock-in period and are free of any encumbrances.
- the amount sought to be exchanged is equal to or higher than minimum investment amount required for opening an account in the destination scheme/plan.

For this purpose, the units of that scheme/plan will be redeemed at the applicable NAV (subject to applicable load) and the net proceeds shall be invested in the destination scheme/plan at the applicable NAV (subject to applicable load structure).

The investors may please note the exchanges / switches in the schemes shall be subject to the terms and conditions of the respective schemes, including applicable lock-in-periods.

In the event of book closure in any of the schemes, the relevant exchange will be effected on the working day immediately following the end of the book closure period.

The Trustee/AMC reserves the right to alter/vary the terms of exchanges.

Systematic Investment Plan

Mutual Fund Investors can benefit by investing specified rupee amounts periodically for a continuous period. This concept is called Rupee Cost Averaging. This savings program allows investors to save a fixed amount of rupees every month by purchasing additional units of the Fund. Therefore, the average unit cost will normally be less than the average sale price per unit irrespective of the market being rising, falling or fluctuating. By investing a fixed amount of Rupees at regular intervals, investors can take advantage of the benefits of Rupee Cost Averaging, at the same time, saving a fixed amount each month.

The unitholder may avail Systematic Investment Plan (SIP) by completing the application form and submitting the same at any of the ISC / Collection Centres. Unitholders may change the amount and / or tenure (but not below the specified minimum) by giving written notice to the AMC/Registrar. An SIP may be terminated on appropriate written notice by the unitholder of the fund, and it may terminate automatically if transmission is initiated for that folio (on notification of death) or incapacity of the unit holder.

The Investment Manager may change rules relating to the facility from time to time.

Highlights:

- Franklin Templeton Mutual Fund will accept a minimum of 12 cheques ('cheques' include Direct Debit/ NACH instructions or any other mode of payment accepted by the AMC from time to time) each of Rs.500/- or more or a minimum of 6 cheques each of Rs.1,000/- or more from any SIP investor for FIFRF.
- All the SIP cheques (except the first one) must be uniformly dated of the month/ quarter. Investors can invest at Monthly or Quarterly intervals.
- Only one instalment per month/quarter is allowed under one SIP registration. e.g., if for a monthly SIP, the first instalment is in the month July, say 2nd July, then the second instalment should be in August.
- To effect the Direct debit/ NACH, investors must provide a cancelled cheque or copy thereof for the same account from which the Direct Debit/ NACH is to be done.
- Load: For all SIP purchase transactions during ongoing sale, the entry and exit load as applicable for normal purchases shall be applicable [Normal purchases are purchases at the minimum subscription amount specified for each respective scheme, other than purchases through SIP, STP(in), DTP(in) or Exchange/Switch(in)].
- In case the specified date of SIP instalment is a non-business day for the scheme, the SIP will be processed on the following business day for that scheme.
- If during the currency of a SIP, the unitholder changes the plan or option in which he/she had invested, the same would be treated as termination of existing SIP and re-registration of a new SIP and all the terms and conditions of the SIP such as minimum term/amount etc. shall apply in both plans/options.
- The AMC / Trustee reserves the right to discontinue the SIP in case of cheque return or rejection of /Direct Debit/ NACH by the bank for any reason, and debit the return / rejection charges to the investors' account.
- The AMC / Trustee shall not be responsible for any delay/non-processing of Direct Debit/ NACH transaction where it is attributable to any incorrect/incomplete information provided by the investor.
- The AMC / Trustee shall not be responsible and liable for any damages/compensation for any loss, damage etc., incurred by the investor. The investor assumes the entire risk of using the /Direct Debit/ NACH facility and takes full responsibility for the same.
- Investor will not hold AMC / Trustee and its service providers responsible if the transaction is delayed or not effected by the investor Bank or if debited in advance or after the specific SIP date due to various reasons.
- The AMC / Trustee reserve the right to modify or discontinue the SIP facility at any time in future on a prospective basis.

It is clarified that the load applicable for a SIP shall be the load prevailing on the date of registration.

Here is an illustration using hypothetical figures to show how a Systematic Investment Plan can benefit an investor. Let us assume that Mr. ABC would like to invest Rs.2,000/- as a monthly investment for a period of six months, i.e. a total of Rs.12,000/-.

Quarter	Amount Invested (Rs.)	Net Asset Value (NAV) (Rs.)	No. of Units purchased
1	2000	10	200.000
2	2000	10.5	190.476
3	2000	11	181.818
4	2000	10.8	185.185
5	2000	11.5	173.913
6	2000	12	166.667
TOTAL	12000	65.8	1098.059

Average price (per unit) per month = Rs.10.9667 (i.e. Rs. 65.8/6).

Average cost per unit = Rs.10.9284 (i.e. Rs. 12000/1098.059 units).

As can be seen from the example above, the average cost per unit is lower than the average market price per unit, irrespective of a rise, fall or fluctuations in the market. A greater number of units were purchased when the per-unit cost was low; fewer units were purchased when the per-unit cost was high. Thus, Mr. ABC gains without having to monitor prices (NAV) on a day-to-day basis.

However, an investor should note that the market value of the Scheme's units is subject to fluctuations. **Before undertaking any plan for Systematic Investment, the investor should keep in mind that such a program does not assure a profit or protect against a loss.**

Systematic Investment Plan (SIP) Variants facility

SIP Variants, branded as Freedom SIP are defined as features that can be added to an existing/new Systematic Investment Plan (SIP) through the online and/or offline mode. These features are listed below:

- Step Up SIP
- Pause SIP
- Any Date SIP
- SIP Amount Change
- Flexi SIP

The facility of SIP Variants is provided by Franklin Templeton Mutual Fund (FTMF) to facilitate investors to modify the amount/date of SIP as per the availability of financial resources. This facility may assist the investors in managing their investments without cancelling/revoking/annulling the ongoing SIP.

In case of identical SIPs the SIP variant shall be applied to any one of them. The investor would be required to submit separate forms/ requests for applying a SIP Variant to each SIP.

FTMF reserves the right to reject an application for 'SIP Variants' if it is termed as 'Not in Good Order' in accordance with the guidelines as mentioned on our website www.franklintempletonindia.com as amended from time to time. In such circumstances, the ongoing SIP will continue to be processed.

I. Step Up SIP facility

Step-up SIP is a facility wherein an investor who has enrolled for SIP has an option to increase the amount of the SIP installment by a fixed amount at pre-defined intervals. This is to offer an ability to increase investments with increase in savings or income.

- All Schemes offering SIP facility shall be eligible to offer Step Up SIP facility.
- Step up SIP facility shall be available for SIP Investments through Direct Debit Facility/ Bill Pay / Net Banking / NACH (maximum value) and e-mandate only.
- Step up SIP will be offered on an annual basis for monthly and quarterly SIP frequencies.
- Step up will be offered in terms of percentage of existing SIP value or fixed value; multiples of 5% or ₹ 500. In case of a % increase, the Rupee value will be rounded off to the nearest multiple of ₹ 100.

Step Up SIP facility shall be governed by following conditions:

- All the terms applicable to SIP facility shall also apply to Step up SIP.
- For registering a new SIP with Step Up feature, the minimum tenure of new SIP shall be at least 2 years.
- For an existing SIP, minimum 3 monthly installments or 1 Quarterly installment should be remaining to register a Step Up.
- Step-up SIP is applicable only for AMC initiated debit feeds i.e. NACH/Direct Debit, etc.
- Investor will need to provide an alternate mandate in case the existing mandate cannot be utilized for the Step Up and the alternate mandate shall be utilized to debit money for all future SIP installments. The existing mandate will still be active and the investor may choose to use the same if required at a later point of time.
- For existing SIPs, Investor can decide if the step up facility should apply on the first possible instalment or after the rolling cycle. If the first possible cycle is chosen, the rolling year will change for that investor.
 - Note: Rolling year is defined as the period from the 1st instalment of the SIP to the 12th calendar month from the said 1st instalment.
- A Step Up SIP or a Step up cancellation request shall be submitted at least 20 days before instalment due date for it to be effective.
 - Step up Rejection and Cancellation will not cancel the SIP registered by the investor. Receipt of a subsequent Step Up request will override the initial request. The new request will apply to the current value of the already Stepped Up SIP.

- For Family Solutions, Step Up facility can be requested at goal level.
 - Step up facility will not be activated automatically to any new SIPs enrolled to a particular goal. Investor would need to specifically request in writing for applying the Step Up facility to the new SIPs.
 - The stepped up amount shall be allocated to all the underlying schemes of a particular goal as per the instructions of the investor subject to rounding off to the nearest ₹100.

Example: Simple comparison of Regular SIP and SIP+ Step UP
Assuming investor avails 'Step Up' choosing to increase SIP Value by ₹1, 000/-

SIP Period (Dates)	Regular SIP	SIP with 'Step Up' facility
March 2016 – Feb 2017	5000	5000
March 2017 – Feb 2018	5000	6000
March 2018 – Feb 2019	5000	7000
	And so on...	And so on...

II. Pause SIP facility

Any existing investor who has an ongoing SIP will have an option to Pause SIP at any time.

- Notice of Pause should be submitted at least 20 days prior to the subsequent SIP date.
- The Pause SIP facility is available for SIP registration with monthly & Quarterly frequency.
- Pause SIP is allowed for only one instalment (Monthly or Quarterly) with one request which will be applicable to the next possible installment.
- Pause SIP is applicable only for AMC initiated debit feeds i.e. NACH/Direct Debit, etc.
- Pause SIP is not possible for the investors having Standing Instructions with banks.
- The SIP shall continue from the subsequent instalment after the completion of Pause period automatically.
- Investors can avail this facility as often as desired but a separate request is required for each instalment.
- For Family Solutions, Pause SIP facility cannot be requested at goal level. However, it can be requested for each underlying SIP which is part of the goal

III. Facility to initiate SIP on Any date for New SIPs and Date Change for Existing SIPs

New SIP - An investor can choose any date of a month for SIP installments. In case the installment date chosen in the current or subsequent months is a non-business day or is not available, the installment will be applied on the next business day.

- The default date will be considered as 10th of the month in case the instalment date is not selected in the SIP form.

Existing SIP – An SIP instalment date change can be requested by the investor for an existing SIP.

- The request must be received 30 days before the next instalment.
- The facility is offered across regular and Family Solutions SIPs.
- All the existing terms and conditions shall apply to Any date SIP.
- For Family Solutions, Date Change facility will not be activated automatically to any new SIPs. Investor would need to specifically request for applying Date Change to each SIP.
- The default date will be considered as 10th of the month in case the instalment date is not selected in the SIP form.

SIP Frequency	Choice of the Day/ Date*
Monthly	Any date of the month – (29, 30, 31 will default to last business day of the month)
Quarterly	Any date of the month for each quarter – (29, 30, 31 will default to last business day of the month)

*Date – In case the chosen date falls on non-business day, SIP will be processed on the next Business day.

Note: Last business day of the month will be chosen where 29, 30, 31 are non-business days in the month.

IV. SIP Amount Change facility

SIP Amount Change facility enables the investor to change the amount of the SIP without cancelling the ongoing SIP.

- Applicable to all existing investors with ongoing SIP transactions with maximum value mandates through NACH, Direct Debit, E mandate, Net banking, Bill pay etc.
- Available only for ongoing SIP Transactions and shall not be accommodated with New SIP Transactions.
- SIP Amount Change is not available for payments via Standing Instructions.
- SIP Amount Change is applicable only for AMC initiated debit feeds i.e. NACH/Direct Debit, etc.
- SIP Amount change will be offered for both monthly and quarterly installments.
- SIP Amount change will be requested by providing the desired target value (new value of SIP)
- SIP Amount change will be applicable (until SIP Cancellation) for all the remaining tenure of SIP Transaction.
- Investor to provide the SIP Amount change request at least 20 days prior to next installment date.
- Available for Family Solutions and Regular SIPs.
- For Family Solutions, SIP Amount Change facility cannot be requested at goal level. However, it can be requested for each underlying SIP which is part of the goal.

V. Flexi SIP facility

FTMF investors are offered an option to change the installment amount for a single month or a quarter in situations where an investor may have surplus or a shortfall of cash in a specific month or a quarter. Hence, the investor has the flexibility to change the value for that specific month or quarter.

- Applicable to all existing investors with ongoing SIP transactions with maximum value mandates through NACH, Direct Debit, E mandate, Net banking, Bill pay, etc.
- Available only for ongoing SIP Transactions and shall not be accommodated with New SIP Transactions.
- Flexi SIP is applicable only for AMC initiated debit feeds i.e. NACH/Direct Debit, etc.
- Investors have a right to increase/decrease the SIP installment through Flexi SIP at any time during the tenure of SIP.
- Flexi SIP offers SIP installment change facility for a month at monthly and for a quarter at quarterly intervals for both Family Solutions and Regular SIPs. Investor should provide the desired target value for availing this facility.
- Investor to provide the Flexi SIP request 20 days prior to next installment date.
- The Flexi SIP facility cannot be modified once enrolled. In order to make any changes, the investor must provide a new request to AMC.
- For Family Solutions, Flexi SIP facility cannot be requested at goal level. However, it can be requested for each underlying SIP which is part of the goal.

Other terms governing the SIP Variants facility

- Franklin Templeton Mutual Fund, the AMC, the Trustees, the Sponsors, their respective employees, directors, affiliates and associates shall not be held responsible for any loss, damage etc. incurred by the investor upon availing the SIP Variant facility.
- The AMC / Trustee reserves the right to discontinue these facilities in case of cheque return or rejection of Direct Debit/ NACH by the bank for any reason and debit the return / rejection charges to the investors' account.
- The AMC / Trustee shall not be responsible for any delay/non-processing of Direct Debit/ NACH transaction where it is attributable to any incorrect/incomplete information provided by the investor.
- The AMC / Trustee shall not be responsible and liable for any damages/compensation for any loss, damage etc., incurred by the investor or due to the happening of any force majeure event. The investor assumes the entire risk of using the Direct Debit/ NACH facility and takes full responsibility for the same.
- Investor shall not hold AMC / Trustee and its service providers responsible if the transaction is delayed or not effected by the investor's Bank or if debited in advance or after the specific SIP date due to various reasons.
- The AMC / Trustee reserves the right to modify or discontinue the SIP Variants facility at any time in future on a prospective basis.

SYSTEMATIC TRANSFER PLAN (STP)

A unitholder may establish a Systematic Transfer Plan and choose to transfer on a daily, weekly, monthly or quarterly basis from the Scheme to another Franklin Templeton scheme. The transfer will be effected by way of redemption of units (with appropriate exit load, if any) and a reinvestment (with appropriate entry load, if any) of the redemption proceeds in another Scheme(s).

The unitholder may avail STP by completing the application form and submitting the same at any of the ISC / Collection Centres. Unitholders may change the amount and / or tenure (but not below the specified minimum) by giving written notice to the AMC / Registrar. An STP may be terminated on appropriate written notice by the unitholder of the fund, and it may terminate automatically (as per the table 1) if all the units are liquidated or withdrawn from the account, or upon the Fund's receipt of notification of death or incapacity of the unitholder.

The Investment Manager may change rules relating to the facility from time to time.

Highlights:

This facility is available to the investors of all open-end schemes of Franklin Templeton Mutual Fund, subject to the terms mentioned herein below. An investor can select this facility whereby the investor chooses to transfer on a periodic basis a pre-determined amount from any Franklin Templeton open-end scheme (Source Scheme) into any other Franklin Templeton open-end scheme (Destination Scheme) selected by the investor. The provision of "Minimum Redemption Amount" of the Source Scheme(s) and "Minimum Subscription Amount" of the Destination Scheme(s) shall not be applicable to STP.

- 1) In order to start the STP facility, the minimum current value requirement in the Source Scheme is as follows:

Frequency	Fixed Amount Option (Rs.)	Capital Appreciation Option (Rs.)*
Daily	1,000/-	Not available
Weekly	2,000/-	5,00,000/-
Monthly	2,000/-	1,00,000/-
Quarterly	2,000/-	1,00,000/-

* Except in Franklin India Liquid Fund, Franklin India Ultra Short Bond Fund, Franklin India Floating Rate Fund and Franklin India Savings Fund where the same should be Rs. 10 Lakhs for all frequencies.

- 2) However, the following schemes/plans/options are not available as Source Scheme:
 - Franklin India Pension Plan (FIPEP)
 - Franklin India Taxshield (FIT)
- 3) Franklin India Taxshield is not available as Destination Scheme (under Capital Appreciation Option)
- 4) Options: There are two options available:
 - a. Fixed Amount Option: A fixed amount can be transferred to the specified Destination Scheme at prescribed frequency; and
 - b. Capital Appreciation Option: Capital appreciation in the Source scheme can be transferred to the specified Destination Scheme at prescribed frequency.
- 5) The Capital Appreciation option will be available only under the Growth plans/options of the Source schemes. NAV on the date of registration of STP request will be considered for calculating the capital appreciation of the first installment. For subsequent STP installments, NAV as on the date of previous STP installment processed with capital appreciation option will be considered. However in case of any additional inflows in between the STP installments, the capital appreciation on such additional units will be the NAV difference between the additional purchase date and STP installment. (refer Illustration-2)
- 6) Frequency: The frequency can be Daily, Weekly, Monthly or Quarterly. The Daily frequency of transfer will be available only under Fixed Amount Option.
- 7) Transfer of Funds:

Transfer of Funds	Fixed Amount Option	Capital Appreciation Option
Daily STP	A fixed amount can be transferred to the specified Destination Scheme.	Not Applicable
Weekly STP	A fixed amount can be transferred on the 7th, 14th, 21st and 28th day of every month to the specified Destination Scheme	The capital appreciation as on the immediately preceding business day for the Source Scheme can be transferred to the specified Destination Scheme, on the 7th, 14th, 21st and

		28th day of every month
Monthly STP/ Quarterly STP	A fixed amount can be transferred on a pre-specified date (to be chosen by the investor) of every month/every quarter to the specified Destination Scheme	The capital appreciation as on the last business day of every month/quarter can be transferred to the specified Destination Scheme

8) In case the specified date is a non-business day for either the Source Scheme or the Destination Scheme, the STP will be processed on the following business day for both the schemes. The STP will be applicable subject to the terms of the destination scheme. When the value of STP is more than Rs. 2 lakhs or the Destination scheme is a liquid fund then the allotment in the destination scheme will be processed basis the receipt of funds from Source scheme (for more details refer NAV applicability clause for respective Destination scheme)

9) Minimum Amount and Term:

(a) Under the Fixed amount option

Frequency	Minimum Amount per transfer from Source Scheme	Minimum number of transfers	Minimum investment amount in Destination Scheme (INR)	Maximum duration
Daily	INR 500	2	500 * 2 = 1000	5 years
Weekly	INR 1000	2	1000 * 2 = 2000	5 years
Monthly	INR 1000	2	1000 * 2 = 2000	5 years
Quarterly	INR 1000	2	1000 * 2 = 2000	5 years

(b) Under Capital Appreciation Option, the minimum term shall be 6 months.

10) Load: The load as applicable in the Source scheme for normal purchase/redemption shall be applicable. For all STP transactions, the load prevailing for the Destination scheme on the date of registration of the STP shall be applicable.

11) At least 7 days' prior intimation should be given to the Mutual Fund for commencement of a fresh STP or cancellation/termination of an existing STP.

12) If in case of a monthly/quarterly STP with Fixed Amount Option, if the unitholder specifies 30th or 31st of the month (28th/29th in case of February) as the "Specified Date" for the STP transaction, then the STP shall be processed on the day, which is the last business day in that month for both the schemes.

13) Where the Start Date of the STP is not mentioned, then for an STP under Monthly/Quarterly option, the Start Date shall be deemed as follows:

If STP is submitted	Then Start Date shall be deemed to be
On or before 8th day of the month	15th day of that month
After 8th day but on or before 23rd day of the month	last business day of that month for both the schemes
After 23rd day of the month	15th day of the next month

In case of Daily STP, the same shall be deemed to be the 8th day from the date of submission of the request at any of Franklin Templeton ISC / Collection Centres.

14) This facility is not available for investments under lock-in period or on which any lien or encumbrance is marked or in respect of which the status of realisation of cheque is not available to the AMC.

15) It shall be the responsibility of the investor to ensure that sufficient balance (free from any Lock-in or encumbrances) is available in the Source Scheme account on the date of transfer, failing which the transfer will not be effected. STP will be discontinued in case the transfer is not effected due to insufficient balance in the investor's account as per the below table.

Table 1. The cancellation process is applicable for both Fixed Amount and Capital appreciation option

STP Frequency	Period in which no sufficient balance is available in Source Scheme to process an STP instalment	No. of STP instalments during the specified period
Daily	1 month	30 days
Weekly	1 month	4
Monthly	2 months	2
Quarterly	3 months	1

16) The AMC/Trustees reserve the right to discontinue or modify the STP facility at any time in future on a prospective basis.

Here are illustrations using hypothetical figures to explain the concept of a Systematic Transfer Plan.

Illustration – 1

Fixed amount option: Let us assume that Mr. ABC would like to transfer Rs.1000/- every month from Scheme 1 to Scheme 2 for a period of four months, i.e. a total of Rs.4000/-.

Scheme 1 (Source Scheme)					
Month	Opening Balance of Units	Applicable NAV (Rs.)	Amount Redeemed (Rs.)	No. of Units Redeemed	Closing Balance of Units
	(a)	(b)	(c)	(d) = [c/b]	(e) = [a-d]
1	5,000.000	11.0000	1,000.00	90.909	4,909.091
2	4,909.091	11.0800	1,000.00	90.253	4,818.838
3	4,818.838	11.1500	1,000.00	89.686	4,729.152
4	4,729.152	11.2000	1,000.00	89.286	4,639.866

Scheme 2 (Destination Scheme)				
Month	Amount Invested (Rs.)	Applicable NAV (Rs.)	No. of Units Allotted	Closing Balance of Units
	(f)	(g)	(h) = [f/g]	(i)
1	1000.00	11.0000	90.909	90.909
2	1000.00	11.0920	90.155	181.064
3	1000.00	11.1290	89.855	270.919
4	1000.00	11.2220	89.111	360.030

Capital appreciation option: Let us assume that Mr. ABC invested Rs. 1,00,000 in Scheme 1 on August 1 at NAV of Rs. 10 per unit and he would like to transfer capital appreciation on a monthly basis from Scheme 1 (Source Scheme) to Scheme 2 (Destination Scheme) for a period of 6 months.

Date of STP Registration – August 12

NAV on August 12 – 10.5000

Date of first STP transaction – August 31

Transaction date	Transaction type	Amount (Rs)	NAV	Units	Closing Balance
		(a)	(b)	(c)=a/b	(d)
August 1	Purchase - Scheme 1	1,00,000.00	10.0000	10000.00	10000.000
August 31	STP to Scheme 2 (e)	15000.00	12.0000	1250.000	8750.000
September 30	STP to Scheme 2 (e)	8750.00	13.0000	673.077	8076.923
October 5	Purchase - Scheme 1	1000.00	15.0000	66.667	8143.59
October 31	STP to Scheme 2 (e)	25926.15	16.2000	1600.379	6543.211

Calculation of Capital Appreciation amount

STP date	STP date NAV	Registration date NAV/ Previous STP NAV/ Additional Purchase NAV	NAV Appreciation per unit	Unit Balance in Source Scheme	Capital Appreciation/ STP Amount (Rs)
	(a)	(b)	c = a-b	(d)	e = c*d
August 31	12.0000	10.5000	1.5000	10000.000	15000.00
September 30	13.0000	12.0000	1.0000	8750.000	8750.00

Note:

The Fund may close an investor's account if the balance falls below the minimum prescribed balance (based on applicable NAV) in the Schemes from which Transfer is proposed to be done due to redemptions or SWP (and not as a result of STP) and the investor fails to invest sufficient funds to bring the value of the account to the prescribed minimum (based on applicable NAV) after a written intimation in this regard is sent to the Unitholder.

ACCOUNTS STATEMENTS

On acceptance of the application for subscription, a confirmation specifying the number of units allotted by way of email and/or SMS will be sent to the Unitholders within 5 Business Days from the date of receipt of application at their e-mail address and/or mobile number registered with the Mutual Fund/AMC.

A) Consolidated Account Statement

In order to enable a single consolidated view of all the investments of an investor in Mutual Funds and securities held in demat form with the Depositories, Mutual Fund-Registrar & Transfer Agents or Depositories shall generate and dispatch of single Consolidated Account Statement (CAS) to the investors. Consolidation of account statement shall be done on the basis of PAN. In case of multiple holding, it shall be PAN of the first holder and pattern of holding.

Unitholders who have registered their Permanent Account Number (PAN) with the Mutual Fund will receive a Consolidated Account Statement as follows:

1. Unitholders who hold Demat Account

The Account Statement containing details relating to all financial transactions (purchase, redemption, switch, systematic investment plan, systematic transfer plan, systematic withdrawal plan, dividend transfer plan, dividend payout, dividend reinvestment and bonus transactions) made by the unitholder across all mutual funds and transaction in dematerialised securities across demat accounts of the Unitholder will be sent by the Depositories, for each calendar month within 10th day of the succeeding month to the unitholders in whose folios transactions have taken place during that month.

CAS shall be sent every half yearly (September/ March), on or before 10th day of succeeding month, detailing holding at the end of the six month, to all such Unitholders in whose folios and demat accounts there have been no transactions during that period.

In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the Depository shall send account statement in terms of regulations applicable to the depositories.

2. Unitholders who do not hold Demat Account

The Account Statement containing details relating to all financial transactions (purchase, redemption, switch, systematic investment plan, systematic transfer plan, systematic withdrawal plan, dividend transfer plan, dividend payout, dividend reinvestment and bonus transactions) made by the unitholder across all mutual funds where PAN of the investor is registered and holding at the end of the month including transaction charges, if any, paid to the distributor, will be sent for each calendar month within 10th day of the succeeding month to the unitholders in whose folios transactions have taken place during that month.

The financial transactions processed from the 1st day of the month till 30/31 will be included in CAS, irrespective of trade date of the transaction.

The CAS detailing holding across all schemes of all mutual funds where PAN of the investor is registered, shall be sent at the end of every six months (i.e. September/ March), on or before 10th day of succeeding month to all mutual fund investors, excluding those investors who do not have any holdings in mutual fund schemes and where no commission against their investment has been paid to distributors, during the

concerned half-year period. Such CAS shall reflect the closing balance and value of the Units as at the end of the month, the amount of actual commission paid by AMC to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme and scheme's average Total Expense Ratio (in percentage terms) for the half-year period, of both direct plan and regular plan.

For the purpose of sending CAS, common investors across mutual funds shall be identified by their PAN. PAN identified as having a demat account by Depositories for generating CAS will not be considered while generating a Mutual Fund level CAS.

In case of a specific request received from the Unitholders, the AMC/Mutual Fund will provide the account statement to the Unitholder within 5 Business Days from the receipt of such request.

B) Unitholders who have not registered their PAN with the Mutual Fund will receive the following:

For normal transactions during ongoing sales and repurchase:

- The AMC shall issue to the investor whose application (other than SIP/STP) has been accepted, an account statement specifying the number of units allotted within 5 working days of allotment.

For SIP / STP/ Dividend Reinvestment transactions:

- Account Statement for SIP and STP will be despatched once every month along with Dividend reinvestment (daily, weekly, monthly) account statement. All other dividends statements will be dispatched as and when the dividend transaction is processed.
- A soft copy of the Account Statement will be emailed to investors with the valid email id provided the investor has opted for e-delivery after the transaction is processed.
- However, the first Account Statement under SIP/STP shall be issued within 10 working days of the initial investment/transfer.
- In case of specific request received from investors, Mutual Funds shall provide the account statement (SIP/STP) to the investors within 5 working days from the receipt of such request without any charges.

Half-yearly Statement:

- The AMC shall provide the Account Statement to the Unitholders who are not having Valid PAN excluding those investors who do not have any holdings in mutual fund schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period. The Account Statement shall reflect the latest closing balance, value of the Units across all schemes in the respective folio, prior to the date of generation of the account statement, the amount of actual commission paid by AMC to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme and scheme's average Total Expense Ratio (in percentage terms) for the half-year period, of both direct plan and regular plan.

For those unitholders who have provided an e-mail address, the AMC will send the account statement by e-mail. The unitholder may request for a physical account statement by writing / calling us at any of the ISC.

The Account Statement issued by the AMC is a record of holdings in the scheme of Franklin Templeton Mutual Fund. Investors are requested to review the account statement carefully and contact their nearest Investor Service Centre in case of any discrepancy. The contents of the statement will be considered to be correct if no error is reported within 30 days from the date of receipt of the Account Statement.

Dividend

The dividend warrants shall be dispatched or the dividends would be otherwise distributed to the unitholders within 30 days of the date of declaration of the dividend.

For Dividends paid out, investors will receive an advice in case of dividends paid via electronic mode, and a dividend instrument with counterfoil for dividends paid by way of an instrument.

Redemption

The redemption or repurchase proceeds shall be dispatched to the unitholders within 10 working days from the date of redemption or repurchase.

Delay in payment of redemption / repurchase proceeds/ dividend

The AMC shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).

C. PERIODIC DISCLOSURES

Net Asset Value (NAV)

This is the value per unit of the scheme on a particular day. You can ascertain the value of your investments by multiplying the NAV with your unit balance.

The NAV will be calculated for every Business Day and

The Mutual Fund are required to declare the NAV of the Scheme on every Business Day on AMFI's website www.amfiindia.com by 11.00 p.m. (current time limit for uploading NAV as per the SEBI guidelines) and also on our website www.franklintempletonindia.com.

In order to provide the facilities to the investor of investing through banks / ATMs, the business hours will be extended well beyond the normal business hours. The banks normally process all their business transactions (including the above distributed mutual fund units) during the midnight and therefore the information relating to the earlier business day for subscriptions and redemptions would be available late in the night.

As a result of the extended business hours and a unique type of sweep product, the fund may need to calculate the NAV late in the night. In any event, the same will be updated on the AMFI website before the beginning of the next business day at 10.00 am. See the section "NET ASSET VALUE CALCULATION".

The disclosure of NAV as outlined above is as per the prevailing SEBI Regulations and is subject to change from time to time.

Redemption and Sale Prices

While determining the prices of the units, the scheme shall ensure that the repurchase price is not lower than 93% of the Net Asset Value and the sale price is not higher than 107% of the Net Asset Value.

Provided further that the difference between the repurchase price and the sale price of the unit shall not exceed 7% calculated on the sale price.

PORTFOLIO / FINANCIAL RESULTS DISCLOSURE

Portfolio / Financial Results: This is a list of securities where the corpus of the scheme is currently invested. The market value of these investments is also stated in portfolio disclosures.

The Mutual Fund shall within one month of the close of each half year i.e., 31st March and 30th September, upload the soft copy of its unaudited financial results containing the details specified in Regulation 59 on its website and shall publish an advertisement disclosing uploading of such financial results on its website, in one English newspaper having nationwide circulation and in one regional newspaper circulating in the region where the head office of the Mutual Fund is situated.

The Mutual Fund shall disclose portfolio as on the last day of the month / half-year for all their schemes on its website and on the website of AMFI within 10 days from the close of each month/ half-year respectively. In case of unitholders whose e-mail addresses are registered, the Mutual Fund/ AMC shall send via email both the monthly and half-yearly statement of scheme portfolio within 10 days from the close of each month/ half-year respectively.

Mutual Fund shall publish an advertisement every half-year disclosing the hosting of the half-yearly statement of its schemes portfolio on its website and on the website of AMFI. Such advertisement shall be published in the all India edition of at least two daily newspapers, one each in English and Hindi. Mutual Fund shall provide a physical copy of the statement of its scheme portfolio, without charging any cost, on specific request received from a unitholder.

ANNUAL REPORT

As required by the SEBI Regulations, the Fund will mail the scheme wise annual report or an abridged summary thereof to all the unitholders as soon as practical after 31st March each year but not later than

four months thereafter, as the Trustee may decide. In case of unitholders whose e-mail addresses are available with the Mutual Fund, the annual report or the abridged summary, as the case may be, would only be sent by email and no physical copies would be mailed to such unitholders. However, those unitholders who still wish to receive physical copies of the annual report/abridged summary notwithstanding their registration of e-mail addresses with the Fund, may indicate their option to the AMC in writing and AMC shall provide the same without charging any cost. For the rest of the investors, i.e. whose email addresses are not available with the mutual fund, the AMC shall send physical copies of scheme annual reports or abridged summary to those unitholders who have 'opted-in' to receive physical copies. The AMC shall display the link of the scheme annual reports or abridged summary prominently on the Fund's website and AMFI website and make the physical copies available to the investors at its registered office at all times.

Taxation

This information is provided for general information only and is based on the prevailing tax laws, as applicable in case of this Scheme. However, in view of the individual nature of the implications, each investor is advised to consult his or her own tax advisors/authorised dealers with respect to the specific amount of tax and other implications arising out of his or her participation in the schemes.

The following summary outlines the key tax implications applicable to unit holders based on the relevant provisions under the Income-tax Act, 1961 ('Act') and the amendments made by the Finance Act, 2020 (collectively called 'the relevant provisions').

A) Tax implications to unitholders under Income Tax Act:

Category of this Scheme: Not an 'equity oriented fund' or 'liquid fund' or 'money market mutual fund', as currently defined under the Act

Definitions under the Act

"Equity oriented fund" is defined to mean a fund set up under a scheme of a mutual fund specified under clause 23(D) of section 10 and

In case where the fund invests in the units of another fund which is traded on a recognised stock exchange—

- a minimum of 90% of the total proceeds of such fund is invested in the units of such other fund; and
- such other fund also invests a minimum of 90% of its total proceeds in the equity shares of domestic companies listed on a recognized stock exchange; and

In any other case, a minimum of 65% of the total proceeds of such fund is invested in the equity shares of domestic companies listed on a recognised stock exchange

Provided that the percentage of equity shareholding or unit held in respect of the fund, as the case may be, shall be computed with reference to the annual average of the monthly averages of the opening and closing figures.

"Money market mutual fund" is defined to mean a money market mutual fund as defined in sub-clause (p) of clause (2) of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996.

"Liquid fund" is defined to mean a scheme or plan of a mutual fund which is classified by the Securities and Exchange Board of India as a liquid fund in accordance with the guidelines issued by it in this behalf under the Securities and Exchange Board of India Act, 1992 (15 of 1992) or regulations made thereunder.

Tax on income on units:

With effect from 1 April 2020, FA 2020 has abolished the DDT charged under section 115O and section 115R of the Act on the dividends paid by the domestic company or income distributed by Mutual Fund,

thereby transferring the tax burden completely in the hands of the shareholders/ unitholders. Resultantly, section 10(34) and section 10(35) of the Act has also been deleted. Currently, the dividend is taxable in the hands of the unitholders at the applicable tax slab rates (Refer Note 1 for tax rates) and also, subject to withholding of taxes at source by the Mutual Fund at following rates:

Particulars	Tax Implications in income from units received by unit holders	Withholding of Taxes by Mutual Fund
Resident (Individuals / Non-corporates / Corporates)	Taxed in the hands of unitholders at applicable rate under the provisions of the Act	10% under section 194K of the Act * ^^
Non-residents (Individuals / Non-corporates / Corporates)**	Taxed in the hands of unitholders at the rate of 20% under section 115A of the Act. (plus applicable surcharge and cess).	20% (plus applicable surcharge and cess) u/s 196A of the Act

*As per provision of section 194K of the Act, where the amount of income credited or paid in a financial year, in aggregate, does not exceed INR 5,000, no withholding is required to be carried out. However, the scheme shall be withholding tax when the aggregate amount in financial year at PAN level exceeds INR 4,000.

^^ In accordance with the Central Board of Direct Taxes press release dated May 13th,2020, the mutual fund shall deduct TDS at the rate of 7.50% for resident investor w.e.f. May 14, 2020 till March 31, 2021.

Further, where any person furnishes a NIL/ lower withholding certificate obtained under section 197 of the Act/ certificate in Form 15G/ Form 15H of the IT Act, the same can be considered for withholding tax purposes.

** Taxability in the hands of non-resident Individuals / non- resident non-corporates / non-resident corporates shall be subject to Double Taxation Avoidance Agreement (“DTAA” or “tax treaty”) benefits which can be claimed in the return of income to be filed by such investors. The investors should obtain specific advice from their tax advisors regarding the availability of the tax treaty benefits.

Further, unitholders can claim deduction of interest expense incurred if any, against income from units and such deduction shall not exceed 20% of income from units under section 57 of the Act.

Where any income distributed up to 31 March 2020 which is subject to tax on distribution is received on or after 1 April 2020, the same shall continue to be exempt in the hands of unitholders under section 10(35) of the Act.

Provisions regarding Dividend and Bonus stripping in certain circumstances

Losses arising from the sale/transfer (including redemption) of securities including units purchased up to 3 months prior to the record date (for entitlement of dividends or income from units declared up to 31 March 2020) and sold within 9 months (in case of units) or 3 months (in case of any other securities) after such date, will be ignored while computing the income to the extent of income distribution (excluding redemptions) on such units is claimed as tax exempt by the unit holder.

With effect from 1 April 2020, any dividend or income distributed in respect of units are not subject to DDT and hence, such income is now taxable in the hands of shareholder/unit holder. Therefore, the provisions of dividend stripping shall not apply on such dividend or income from units.

In case of units purchased within a period of 3 months prior to the record date, (for entitlement of bonus) and sold/transferred (including redeemed) within 9 months after such date, the loss arising on transfer of all or any such units shall be ignored for the purpose of computing the income chargeable to tax. The loss so ignored shall be treated as cost of acquisition of such bonus units.

Tax on income on sale/redemption of units:

If the units are held as stock-in-trade of a business, the said income will be taxed at the rates at which the normal income of that investor is taxed.

If the units are held as investments, the said income will be taxed as capital gains. In such case, the tax rates applicable will depend on whether the gain on sale of units is classified as a short-term capital gain or a long-term capital gain. Units of a mutual fund being other than an equity oriented fund shall be considered as a short-term capital asset where the same are held for a period of 36 months or less immediately preceding their date of transfer for the purpose of computing capital gains. Long-term capital asset means an asset which is not a short-term capital asset. The rates of capital gains tax are as follows (applicable to all investors including NRI / PIO/ FPI):

Nature of capital gains	Tax rate*
Short-term capital gains	In case of FPIs, 30 percent* For others, taxed at normal tax rates (as explained in Note 1).
Long- term capital	In case of FPI's, 10 percent* (without indexation) In case of other non-residents: <ul style="list-style-type: none"> • For listed securities 20 percent* (with indexation) • For unlisted securities - 10 percent (without indexation), In case of residents, 20 percent* (with indexation).

* plus surcharge and health and education cess as may be applicable (Refer Note 2).

Segregation of mutual fund schemes

SEBI has, vide circular SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018, permitted creation of segregated portfolio of debt and money market instruments by Mutual Fund schemes. As per the SEBI circular, all the existing unit holders in the affected scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio. Accordingly, on segregation, the unit holders hold same number of units in two schemes –the main scheme and segregated scheme.

In order to rationalize the tax provisions with SEBI regulations, FA 2020 has made following amendments to the provisions of the Act:

Explanation 1 to Section 2(42A) of the Act relating to the period of holding has been amended to provide that the period of holding of the units of the segregated scheme shall include the period for which the units in the main scheme were held by the assessee.

Similarly, a new sub-section (2AG) is inserted in section 49 of the Act to provide that the cost of acquisition of a unit or units in the segregated portfolio shall be the amount which bears to the cost of acquisition of a unit or units held by the assessee in the total portfolio, the same proportion as the net asset value of the asset transferred to the segregated portfolio bears to the net asset value of the total portfolio immediately before the segregation of portfolios.

Also, another sub-section (2AH) in the said section is inserted to provide that the cost of the acquisition of the original units held by the unit holder in the main portfolio shall be deemed to have been reduced by the amount so arrived at under sub-section (2AG).

Tax Deduction at Source (TDS) in respect of capital gains:

Schemes other than equity oriented fund:

Category of investor	Nature of capital gains	Tax rate*
Resident Investor	Short term / Long term	Nil
Foreign Portfolio Investors (FPI)	Short term / Long term	Nil
Non-Resident Indian (NRI) / Person of Indian origin (PIO)/ Other foreign entities	Short term	30% for foreign non-corporates; 40% for foreign corporate entities
Non-Resident Indian (NRI) / Person of Indian origin (PIO)/ Other foreign entities	Long term	20% in case of listed units (10% in case of unlisted units)

* plus surcharge and health and education cess as may be applicable.(Refer Note 2)

The long-term capital gains on listed units of other than equity oriented fund shall be computed after taking into consideration the indexed cost of acquisition of the units redeemed / repurchased / sold.

All the above non-resident investors may also claim the tax treaty benefits available, if any.

As per provisions of section 206AA of the Act, the Mutual Fund would be obliged to withhold tax at penal rates of TDS in case of payments to investors who have not furnished their PAN to the Mutual Fund. The penal rate of TDS is 20% or any higher rate of TDS, as may be applicable, plus applicable surcharge and health and education cess.

The Finance Act 2016 has amended section 206AA of the Act to provide that the provisions section 206AA shall not apply to non-residents in respect of payment of interest on long-term bonds as referred to in section 194LC and any other payment subject to such conditions as may be prescribed.

The CBDT, vide its notification dated 24 June 2016, has clarified that the provisions of section 206AA shall not apply to non-residents in respect of payment on transfer of capital assets provided the non-residents provide the following information to the payer of such income:

- Name, email-id, contact number;
- Address in the country or specified territory outside India of which the deductee is a resident;
- A certificate of his being resident in any country or specified territory outside India from the government of the other country or specified territory if the law of that country or specified territory provides for issuance of such certificate;
- Tax Identification Number of the deductee in the country or specified territory of his residence and in a case, no such number is available, then a unique number on the basis of which the deductee is identified by the Government of that country or the specified territory of which he claims to be a resident.

B) Securities Transaction Tax (STT)

No STT is payable on sale (redemption) of units of a fund other than an 'equity oriented fund'.

Note 1:

The individuals (including NRIs / PIOs) and HUFs, are taxed in respect of their total income at the following rates:

Slab	Tax rate *
Total income upto Rs.250,000 [#]	Nil
More than Rs.250,000 [#] but upto Rs.500,000	5 percent of excess over Rs 250,000
More than Rs.500,000 but upto Rs.1,000,000	20 percent of excess over Rs. 500,000 + Rs.12,500 [§]
Exceeding Rs.1,000,000	30 percent of excess over Rs 1,000,000 + Rs.1,12,500 [§]

* plus surcharge, if applicable and health and education cess (Refer **Note 2**)

[#] for resident senior citizens of sixty years of age and above but below eighty years of age, Rs. 250,000 has to be read as Rs.300,000 and for resident senior citizens of eighty years of age and above

Rs.250,000 has to be read as Rs.500,000.

§ Similarly for resident senior citizens of sixty years of age and above but below eighty years of age, Rs. 12,500 has to be read as 10,000 and Rs.1,12,500 has to be read as Rs. 1,10,000. And for resident senior citizens of eighty years of age and above Rs. 12,500 has to be read as Nil and Rs.1,12,500 has to be read as Rs. 100,000

A resident individual (whose total income does not exceed Rs.500,000) can avail rebate under section 87A. It is deductible from income tax before calculating health and education cess. The amount of rebate available would be 100% of income-tax chargeable on his total income or Rs.12,500, whichever is less.

The FA Act, 2020 has introduced a new section 115BAC in the Act to provide individuals and HUFs for an optional tax regime in respect of their total income at the following rates:

Slab	Tax rate*
Total income up to Rs.250,000	Nil
More than Rs.250,000 but up to Rs.500,000@	5 percent of excess over Rs.250,000
More than Rs.500,000 but up to Rs.750,000	10 percent of excess over Rs.500,000 + Rs.12,500

@A resident individual (whose total income does not exceed Rs.500,000) can avail rebate under section 87A. It is deductible from income tax before calculating health and education cess. The amount of rebate available would be 100% of income-tax chargeable on his total income or Rs.12,500, whichever is less.”

* plus surcharge (refer **Note 2**) and health and education cess at the rate of 4 per cent.

The above new tax regime shall be subject to conditions and other proviso laid down under the section 115BAC of the Act.

Further, individuals and HUF who do not have business income or income from profession can opt for new tax regime on a year on year basis. However, taxpayers earning business income or income from profession can opt into the regime only once on irrevocable basis. Such option will apply to all subsequent tax years and in a case where such option is withdrawn by the taxpayer, he shall not be eligible to avail the concessional slab rates in subsequent years until he ceases to have business income or income from profession.

Any individual/ HUF opting for such the new tax regime from FY 2020-21 onwards will have to discharge taxes on income at the concessional rate prescribed by forgoing specified exemptions and deductions (i.e. house rent allowance, deduction under Chapter VI-A other than the provisions of section 80CCD(2) and section 80JJAA of the Act, without set off of any losses) and satisfaction of certain conditions.

As per sub-section (5) to section 115JC of the Act, inserted by FA 2020, the provisions of AMT shall not be applicable in case of any person who has exercised the option to be taxed as per the provisions of section 115BAC of the Act.

Indian Companies

The tax rates applicable would be 30 percent (plus surcharge as applicable – see Note 2 and an additional surcharge by way of health and education cess of 4 percent on the amount of tax plus

COMPUTATION OF NAV

The Net Asset Value (NAV) is the value of a Unit and is computed as shown below:

NAV =	Market Value of the scheme's investments + other assets (including accrued interest)
(Rs. Per unit)	- all liabilities except unit capital & reserves
	Number of units outstanding at the end of the day

For example, if the market value of securities of a mutual fund scheme is INR 200 lakh and the mutual fund has issued 10 lakh units of INR 10 each to the investors, then the NAV per unit of the fund is INR 20 (i.e. 200 lakh/10 lakh).

The NAV will be calculated to four decimals using standard rounding criteria.

Valuation of the scheme's assets, calculation of the scheme's NAV and the accounting policies & standards will be subject to such norms and guidelines that SEBI may prescribe from time to time and shall be subject to audit on an annual basis.

05. FEES AND EXPENSES OF THE SCHEME

The information that is provided under this section seeks to assist the investor in understanding the expense structure of the Scheme and types of different fees and their percentage the investor is likely to incur on purchasing and selling the units of the Scheme.

ANNUAL SCHEME RECURRING EXPENSES:

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below.

In accordance with Regulations, the asset management company ("AMC") is entitled to charge the scheme with investment and advisory fees. In addition to such fees, the AMC may charge the scheme such expenses as may be permitted under Regulations from time to time.

The maximum annual recurring expenses that can be charged to the Scheme, excluding issue or redemption expenses, whether initially borne by the mutual fund or by the asset management company, but including the investment management and advisory fee shall be within the limits stated in Regulations 52 read with SEBI notification no. **SEBI/LAD-NRO/GN/2018/51** dated December 13, 2018, as follows:

(I) Recurring expenses including the investment management and advisory fee subject to the limits specified in the table below (as % of daily net assets):

on the first Rs. 500 crores	2.00%
on the next Rs. 250 crores	1.75%
on the next Rs. 1,250 crores	1.50%
on the next Rs. 3,000 crores	1.35%
on the next Rs. 5,000 crores	1.25%
On the next Rs. 40,000 crores	Total expense ratio reduction of 0.05% for every increase of Rs.5,000 crores of daily net assets or part thereof.
Above Rs. 50,000 crores	0.80%

(II) In addition to the above, the following costs or expenses may be charged to the Scheme, namely-

(a) brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment, not exceeding 0.12% in case of cash market transactions and 0.05% in case of derivatives transactions; the securities transaction tax (STT) will continue to be included in the cost of investment and will not come under the limit of 0.12% mentioned above.

(b) expenses not exceeding 0.30% of daily net assets, if the new inflows from retail investors from such cities as specified by SEBI from time to time are at least - (i) 30% of gross new inflows in the scheme, or; (ii) 15% of the average assets under management (year to date) of the scheme, whichever is higher. Provided that if inflows from retail investors from such cities are less than the higher of (i) or (ii) above, such expenses on daily net assets of the scheme shall be charged on proportionate basis. Provided further that expenses charged under this clause shall be utilised for sales, marketing and distribution expenses incurred for bringing inflows from such cities. Provided further that amount incurred as expense on account of inflows from retail investors from such cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment;

(c) Additional expenses not exceeding 0.05% of daily net assets of the scheme towards various permissible expenses. In terms of SEBI circular dated February 02, 2018, schemes wherein exit load is not levied, the AMC shall not be eligible to charge the above mentioned additional expenses for such scheme. Currently there is no exit load in the scheme.

(III) The AMC may charge Goods and Service Tax on investment and advisory fees to the Scheme in addition to the maximum limit of annual recurring expenses as prescribed in Regulation 52. Further, the below mentioned expenses and charges shall be borne by the Scheme within the maximum limit of annual recurring expenses as prescribed in Regulation 52.

- a) Goods and Service Tax on expenses other than investment and advisory fees; and,
- b) brokerage and transaction costs (including Goods and Service Tax) incurred for the purpose of execution of trade in excess of 0.12% in case of cash market transactions and 0.05% in case of derivatives transactions, if any.

Within such total recurring expenses charged to the scheme as above, the investment management and advisory fee (charged as a percentage of daily net assets) would be as decided by the AMC from time to time, provided that the investment management and advisory fee shall not exceed the aggregate of expenses charged under clause (I) and (II)(c) above.

In terms of aforesaid SEBI circular dated September 13, 2012, the AMC shall annually set apart at least 0.02% on daily net assets within the maximum limit of recurring expenses as per Regulation 52 for investor education and awareness initiatives.

The total annual recurring expenses of the Scheme including the investment management and advisory fee (together with additional management fee wherever applicable) shall not exceed the limit stated in Regulation 52 read with aforesaid SEBI circular dated September 13, 2012, as explained above. Any excess over these specified ceilings would be borne by the AMC.

The investments under 'Direct' shall have a lower expense ratio excluding distribution expenses, commission, etc., and no commission shall be paid on investments under Direct Plan. The Direct Plan shall also have a separate NAV.

The Trustee/AMC reserves the right to charge higher operating expenses in relation to investing overseas as and when SEBI permits.

It is clarified that in respect of schemes having more than one portfolio, the above restrictions on total expenses will be applied to each portfolio separately.

The AMC has estimated the following recurring expenses for the first Rs.500 crores of Average Daily / Weekly Net Assets:

In view of the individual nature of the implications, each investor is advised to consult his or her own tax advisors/authorised dealers with respect to the specific amount of tax and other implications arising out of his or her participation in the schemes.

LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the units or to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please visit Franklin Templeton India's website (www.franklintempletonindia.com) or call at 1800 425 4255 or 1-800 -258 4255 (Please prefix the city STD code if calling from a mobile phone. Local call rates apply to both the number) or contact your distributor.

Sr. No	Particulars	As % of NAV
1	Sales / Entry load on purchase / subscription	0%
2	Exit Load on redemption / repurchase	0%
3	Load on Switch / Exchange	0%

For investments under 'Direct' plan, the Exit load applicable shall be the same as the exit load applicable in the respective Scheme/Scheme Portfolio.

The applicability of exit load in respect of switches between plans and options within the same Scheme will be as follows:

Nature of investment	Exit Load applicability
Existing and new investments made under a Distributor code	No load will be charged on switches to Direct Plan
Existing and new investments made without a Distributor code	No load will be charged on switches to Direct.
Investment made under Direct route on or after January 01, 2013	No load will be charged on switches from Direct to other plans and options under the Scheme available for investment under a Distributor code.

For determining whether an investment was made under a Distributor code or not, the Distributor code as per the records of the AMC/Registrar on the date of the switch transaction will be considered.

In accordance with the requirements specified by the SEBI circular no. SEBI/IMD/CIR No.4/168230/09 dated June 30, 2009 no entry load will be charged for purchase/additional purchase/switches accepted by the Mutual Fund. Similarly, no entry load will be charged with respect to all applications for registrations under the Systematic Investment Plan (SIP)/Systematic Transfer Plan (STP) accepted by the Mutual Fund including SIPs registered prior to August 1, 2009.

The upfront commission on investment made by the investor, if any, shall be paid to the ARN Holder

(AMFI registered distributor) directly by the investor, based on the investor's assessment of various factors including service rendered by the ARN Holder.

All the switches / exchanges will be treated as redemption in the source scheme and subscription in the destination scheme, with the entry and exit load as may be applicable. The switches of Units will be considered on First-in-First-Out (FIFO) basis.

The AMC/Trustee reserves the right to modify the Load/Fee mentioned above at any time in future on a prospective basis, subject to the limits prescribed under the SEBI Regulations.

For the information of the investors, any introduction / change of load in the Scheme may be put up on the website of the Mutual Fund. The addendum detailing the changes may be circulated among the Investor Service Centres / Distributors / Brokers under directions to display it at their respective offices in form of a Notice and attach it to the copies of Scheme Information Documents and Key Information Memorandum (if required) already in stock. The addendum may be published by way of a public notice or advertisement in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated. The addendum may also be sent via e-mail to the unitholders who have registered their e-mail i.d. with the Mutual Fund. The load may also be disclosed in the account statement issued after the introduction of such load.

The investor is requested to check the prevailing load structure of the scheme before investing.

All loads collected on units shall be retained in the Fund and maintained in a separate account and would strictly and fully be utilised by the Investment Manager in providing distribution related services to the Mutual Fund relating to the sale, promotion, advertising and marketing of Units of the Scheme, including payments to brokers / registrars for their services in connection with the distribution of the Units. Any surplus in this account may be credited to the scheme, whenever felt appropriate by the AMC. In terms of SEBI circular ref. SEBI/IMD/CIR No.4/ 168230/09 dated June 30, 2009, effective August 01, 2009, of the exit load charged to the investor, a maximum of 1% of the redemption proceeds shall be maintained in a separate account which can be used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Any balance shall be credited to the scheme immediately.

Effective October 01, 2012, exit load(if any) charged to the unit holders by the Mutual Fund on redemption (including switch-out) of units shall be credited to the respective scheme net of Goods and service tax. Goods and Service tax on exit load, if any, shall be paid out of the exit load proceeds.

Load on bonus/dividend re-investment units: In terms of SEBI circular SEBI/IMD/CIR No.14/120784/08 dated March 18, 2008, no entry and exit load shall be charged on bonus units or units allotted on reinvestment of dividend.
